

## CITROËN C-ZERO

# PURE INSPIRATION. CITROËN C-ZERO IS A COMPLETELY NEW AND EFFICIENT WAY TO TRAVEL, PURE AND SIMPLE.

A 100% ELECTRIC CAR, IT PRODUCES ZERO EMISSIONS FROM TAILPIPE, IS ALMOST SILENT ON THE MOVE AND ATTRACTS ZERO VEHICLE EXCISE DUTY. SEVERAL OPTIONS FOR EASY RECHARGING, THIS IS THE FUTURE WITHOUT COMPROMISE. AT CITROËN, THIS KIND OF INNOVATION HAS QUITE A HISTORY... YOU CAN TRACE CITROËN ELECTRIC VEHICLES ALL THE WAY BACK TO 1941, AND IN 70 YEARS OVER 10,000 ELECTRIC CARS AND VANS HAVE BEEN SOLD. CITROËN C-ZERO MIGHT BE CUTTING EDGE, BUT IT HAS A GENUINE HERITAGE AND DECADES OF DEVELOPMENT BEHIND IT.

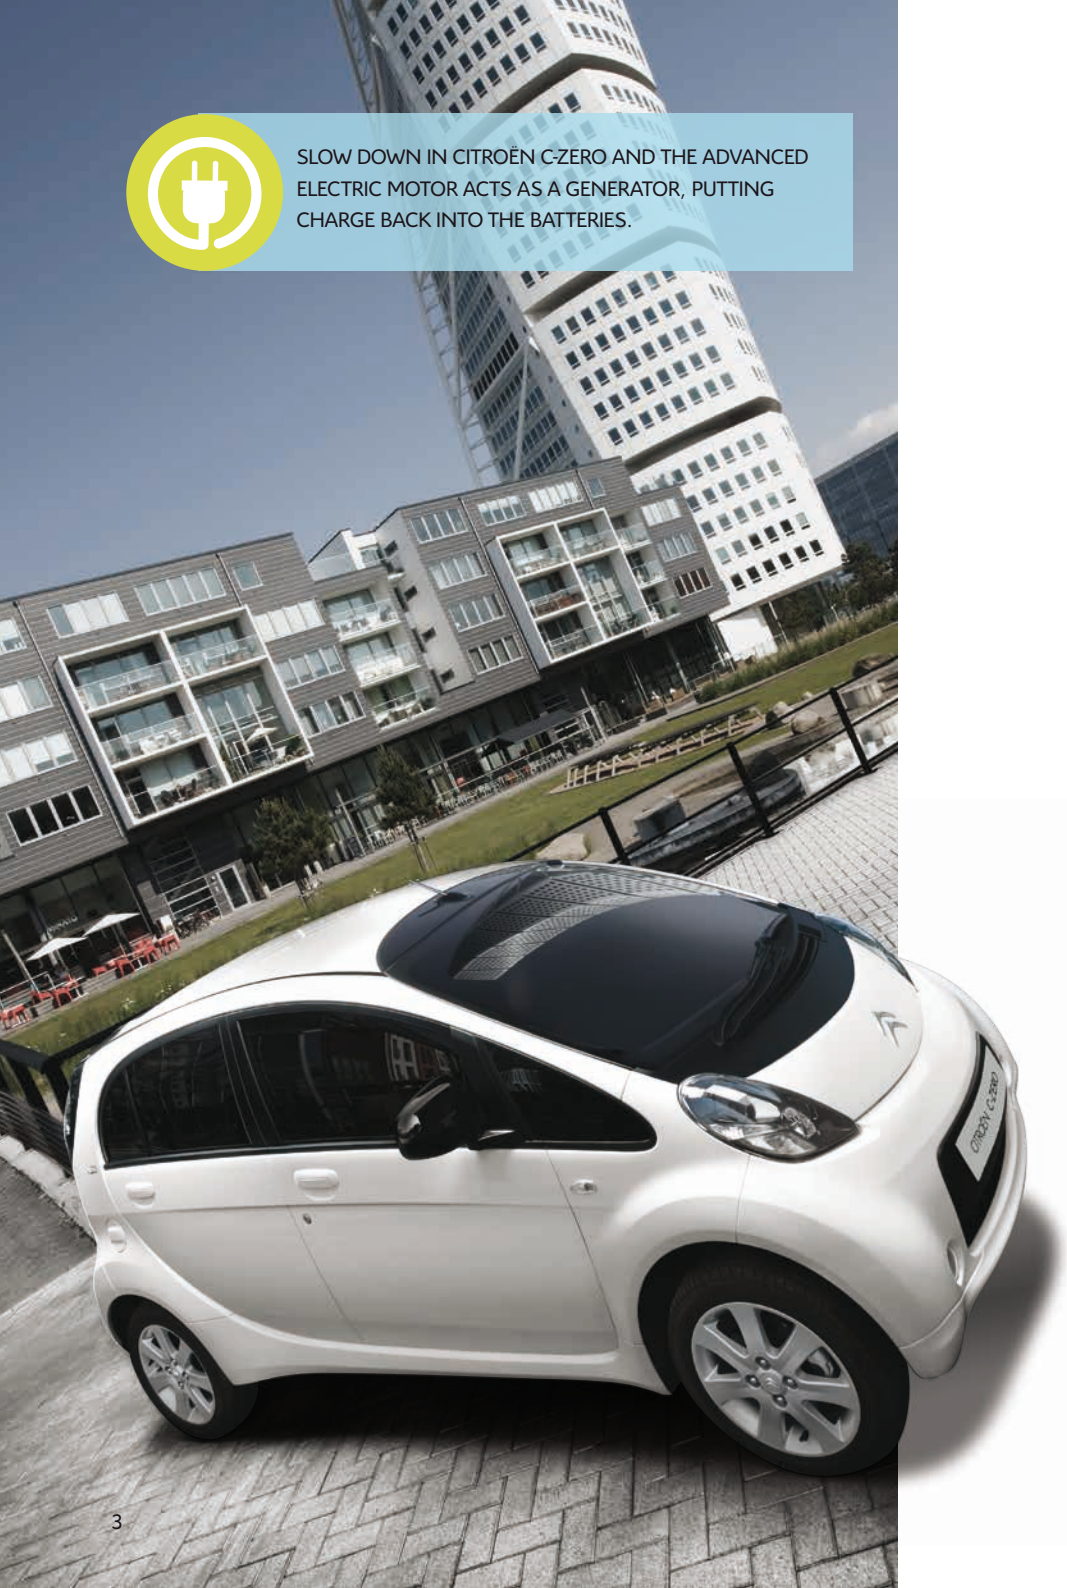

## 100% ELECTRIC EQUALS ZERO CO<sub>2</sub> AND NO<sub>x</sub>

Less is definitely more in the Citroën C-Zero – being 100% electric, it has no need for a noisy conventional engine, transmission or fuel tank – all this adds up to zero CO<sub>2</sub> emissions on the road.

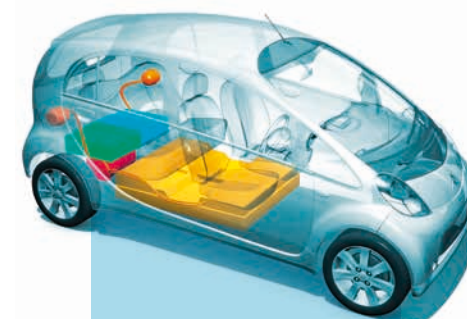

SLOW DOWN IN CITROËN C-ZERO AND THE ADVANCED ELECTRIC MOTOR ACTS AS A GENERATOR, PUTTING CHARGE BACK INTO THE BATTERIES.

## THE CITY CAR, REBORN. CITROËN C-ZERO IS COMPACT, NIMBLE AND LIVELY WITH A TINY TURNING CIRCLE OF JUST NINE METRES. BUT STEP INSIDE AND YOU'LL FIND GENEROUS ROOM FOR FOUR, PLUS AMPLE LUGGAGE SPACE. SMALL IS CLEARLY THE NEW BIG.

THIS IS PARTLY POSSIBLE BECAUSE CITROËN C-ZERO IS AN ELECTRIC CAR TO ITS CORE, SO THE STRUCTURE WAS DESIGNED FROM THE START TO HOUSE BATTERIES UNDER THE FLOOR. THAT MEANS MAXIMUM SAFETY IN CASE OF AN IMPACT AND A LOW CENTRE OF GRAVITY FOR GREAT HANDLING, PLUS SPACE TO SPARE WHERE IT MATTERS!

Naturally there's also room for all the technology that looks after you, such as ABS with Electronic Brake-force Distribution (EBD), Electronic Stability Programme (ESP) and a full quota of airbags. This is the city car reborn, but it's arrived with everything you and your passengers need.

- TRACTION BATTERY
- CHARGER/CONVERTER
- CONTROL UNIT
- CHARGE POINTS
- ELECTRIC MOTOR

# NEW BENEFITS, NO SNAGS. VIRTUALLY POLLUTION-FREE, INCREDIBLY QUIET AND ECONOMICAL TO RUN, CITROËN C-ZERO BRINGS YOU ALL THE ADVANTAGES OF CLEAN, ADVANCED ELECTRIC POWER. THE BEAUTY OF IT IS, THERE ARE NO DOWN SIDES.

ANYONE USED TO DRIVING AN ORDINARY CAR WILL FIND CITROËN C-ZERO REASSURINGLY FAMILIAR. IT'S LIKE AN AUTOMATIC WITH TWO PEDALS AND A LEVER WITH FOUR POSITIONS. PUT THE LEVER IN 'D' FOR DRIVE AND YOU'LL QUICKLY APPRECIATE THE ELECTRIC MOTOR'S EXCELLENT TORQUE, WHICH MAKES THE CITROËN C-ZERO SWIFT FROM STANDSTILL.

With a maximum range of 93 miles\*, you've got plenty of time between charges. A maximum speed of 80mph means Citroën C-Zero is quite happy to travel further when you want to.

Charging Citroën C-Zero couldn't be easier. A full charge takes approximately seven hours, so can be done overnight or while parked at work. Alternatively, there is a rapid charge system, which enables 80% of Citroën C-Zero's battery to be charged in just half an hour. Information about the network of public access chargepoints across the UK can be found at [www.zap-map.com](http://www.zap-map.com)

\* New European Driving Cycle (NEDC) test figure. In real world use, range is impacted by numerous factors and is likely to be lower.

RESEARCH REVEALS THAT VEHICLES SPEND 92% OF THEIR TIME PARKED, GIVING PLENTY OF TIME FOR RECHARGING BATTERIES.

**C-ZERO SIMPLY ADDS UP. BEING  
INGENIOUS AND EFFICIENT MAKES  
SOUND BUSINESS SENSE. THE UK  
GOVERNMENT OFFERS A GRANT OF  
£4,500 TO BUYERS OF THE CITROËN  
C-ZERO, AND THIS IS JUST THE START.**

WITH ITS EXCEPTIONALLY SMALL ENVIRONMENTAL FOOTPRINT, CITROËN C-ZERO OFFERS LOW COMPANY CAR TAX, AND EXEMPTIONS FROM ROAD TAX, THE LONDON CONGESTION CHARGE AND PARKING CHARGES IN SOME AREAS.

Citroën C-Zero is a car engineered for people who value pioneering technology, innovative design and environmental responsibility. It's also a car with plenty of style, practicality and essential equipment – the only things missing are emissions and pollutants.

THE COST OF RECHARGING CITROËN C-ZERO IS MINIMAL, MAKING IT FAR MORE ECONOMICAL EACH MILE THAN A SIMILAR SIZED PETROL CAR.

# COLOURS, TRIM, WHEELS & OPTIONS

CHOOSE THE PERFECT COLOUR TO MATCH THE CITROËN C-ZERO'S INNOVATIVE PERSONALITY AND FOR A BIT OF EXTRA COMFORT ADD THE COMFORT PACK OPTION WHICH INCLUDES HEATED SEATS AND DOOR MIRRORS.

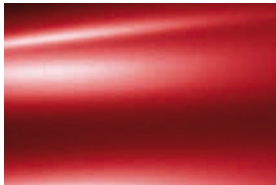

## BODY COLOURS

## TRIM

Camel cloth

15 INCH ALLOY WHEELS  
Front tyres: 145/65 R15  
Rear tyres: 175/55 R15

### OPTION SUMMARY

- Remote control of heating, air conditioning and battery charging
  - Pre-heating: remote activation of air conditioning or heating for 30 minutes
  - Programming of recharging: start/stop; start of programme; end of programme
  - Remote indication of charging status

C-ZERO

o

- (P) Pearlescent
- (M) Metallic
- o Optional factory fitted equipment

Colours and pictures shown are for illustration purposes only. Consult your Dealer for definitive colour and trim/upholstery details.

# EQUIPMENT SPECIFICATION

## SAFETY & SECURITY

ABS with Electronic Brake-Force Distribution  
Electronic Stability Programme with traction control  
Brake light illumination when releasing the accelerator  
Driver's, front passenger's, front lateral and curtain airbags  
Four three-point inertia reel seat belts  
Front seat belt pre-tensioners with force limiters  
Unfastened seat belt warning for front seats  
Rear ISOFIX mounting points  
Child lock control  
Remote central locking  
Transponder immobiliser  
Citroën eTouch Emergency & Assistance system

## LIGHTING & VISIBILITY

Halogen headlights  
Front fog lights with integrated LED Daytime Running Lights (DRLs)  
Rear LEDs  
Black electrically adjustable folding door mirrors  
Automatic lights  
Rear intermittent wiper and washer

## STYLE

### EXTERIOR

Metallic or Pearlescent body paint  
Body colour front bumper  
Body colour door handles  
Tinted windscreen  
Tinted front and rear door windows  
Rear spoiler with an integrated third brake light

### INTERIOR

Leather steering wheel  
Leather gear knob  
Front and rear carpet mats

## COMFORT & CONVENIENCE

Electric power steering  
Front and rear electric windows with 'one-touch' operation on driver's side  
Automatic air conditioning  
12 volt socket in cabin  
Heated rear window  
**Comfort Pack** – Heated driver's seat and heated door mirrors  
Voltage adaptor

## DRIVER INFORMATION

Standard charging connector (driver's side)  
Quick charging connector (passenger's side)  
Multi-function on-board trip computer (total mileage, current range, maintenance indicator)  
Digital speedometer  
Power meter consumption indicator on energy regeneration  
Range on remaining battery power indicator  
Tyre pressure sensors

## SEATING

Height-adjustable driver's seat  
Rear split/folding and front folding and reclining seats  
Height-adjustable front head restraints

## STORAGE

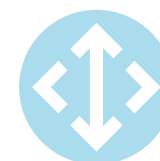

Front door pockets  
Folding cup holder

## IN-CAR ENTERTAINMENT

DAB digital radio CD with Bluetooth®, USB socket, 2 tweeters on the dashboard, 2 speakers in the front doors (pre-equipment for speakers in the rear doors)
