During the 90s Le Tone had a major hit, "Joli Dragon", and devoted himself to music for 15 years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

1974

Citroën launches CX. It's the ultimate mix of technical innovation and advanced design with the engine and gearbox positioned together at the front. Sophisticated hydropneumatic suspension, concave rear screen and a futuristic dashboard help it to succeed amongst more ordinary rivals.

2019

The spectacular design of the 100% electric 19_19 Concept is inspired by aeronautics and pushes comfort to the extreme, with a lounge on-the-move experience created by intelligent suspension. It also provides autonomous driving, a personal assistant and a range of 500 miles.

CITROËN Origins

CLICK ON THE LOGO TO FIND OUT MORE

Discover the models that make up Citroën's extraordinary history, from 1919 to the present day.

1934

Citroën revolutionises the automotive landscape with Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

1939

Citroën launches 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous Type H, above, launched in 1948.

1948

The much-loved 2 CV is created as a "safe and economical vehicle, able to carry 4 people on-board and 50 kg of luggage". More than 5 million are made.

1955

Unveiled to a stunned public at the 1955 Paris Motor Show, DS takes futuristic design to new heights. Its stunning aerodynamic shape, created by Flaminio Bertone, earns it the nickname 'flying saucer'. Under the skin it's just as advanced.

1968

It's a golden age for light and agile vehicles like Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

1970

The modern looks and neat style of GS will see it remain one of the most aerodynamic and comfortable vehicles on the market for years to come. Equipped with a flat 4-cylinder engine and hydropneumatic suspension, this hatchback will go on to sell around 2.5 million units.

DESIGN

CITROËN C1 ZIPS ITS WAY AROUND THE CITY IN STYLE

The 5-door Citroën C1 is a city car whose playful attitude is clear from the very first look. Everything about it is bold, cheerful and optimistic. Take the front light signature with its standout vertical LED daytime running lights and round headlights immediately accentuate its unique character. This sense of fun and go-anywhere look is magnified even further with the 'Airscape' convertible version.

COMPACT AND AGILE

Despite its designed-for-the-city compact dimensions (L. 3.46m x W. 1.62m x H 1.46m), Citroën C1 can easily accommodate four adults. It's very agile and easy to manoeuvre, with an optimised turning circle of 4.8m, while its electric power steering brings precision and pleasure to your drive, whether you're in town or out on the open road.

URBAN RIDE

Citroën C1 Urban Ride, identifiable by its flared wheel arches, 15 inch 'Comet' wheel trims and tinted rear windows is the dynamic city car for your journeys in and around town.

Citroën C1 Urban Ride offers a range of 8 exterior colours as well as a bi-tone roof option (limited combinations).

The interior, chic and welcoming, offers an 'Urban Ride' Metropolitan Grey cloth trim combined with porcelain white accents on the dashboard. With its tight turning radius it is particularly suited to driving in town. C1 Urban Ride is fitted with hill start assist, an audio system accessible from the 7 inch touch screen and hands-free Bluetooth®. C1 Urban Ride also includes practical features such as air conditioning, a useful glove box and a folding rear bench seat when you need to carry larger items.

COMFORT

The Citroënist
Est. 1919

Contemporary and welcoming, Citroën C1's interior has been designed to ensure serenity reigns supreme. The CITROËN ADVANCED COMFORT® programme delivers innovative, technological and intelligent solutions to create wellbeing for drivers and passengers alike, and confirms Citroën's driving-comfort credentials. Four main themes are at the heart of this comfort engineering: the cocoon effect, practicality, fluidity and peace of mind.

IMPROVE
THE FLOW

CONVERTIBLE VERSION

MAKE EVERY JOURNEY AN ESCAPE

Citroën C1 breaks out with its convertible Airscape version. It has a large, soft, sliding canvas roof (W. 800mm x L. 760mm) with simple-to-use electric controls (up to 75mph) for even more freedom and every day pleasure. The canvas is available in two colours: Sunrise Red and Black.

EASY ACCESS

The ergonomics of Citroën C1 have been designed to make everyday life easier. This includes its very practical 196 litre boot, which is easily accessible thanks to a split bench seat and a rear shelf which retracts when the boot is opened. The boot volume reaches 780 litres when the rear seats are folded.

6 SAFETY AND DRIVING AID SYSTEMS

⊘ CAN BE DEACTIVATED

SPEED LIMIT SIGN RECOGNITION AND RECOMMENDATION*

This technology reads speed limit signs and sends you audio and visual signals via the 7 inch touch screen.

⊘ CAN BE DEACTIVATED

ACTIVE CITY BRAKE*

Using the screen mounted camera, Active City Brake applies the brakes automatically if it senses an imminent collision with a vehicle ahead during town driving up to 20mph.

⊘ CAN BE DEACTIVATED

LANE DEPARTURE WARNING SYSTEM [LDWS]*

If the car crosses a solid or intermittent white line without the indicator being used, Lane Departure Warning System automatically alerts the driver with both aural and visual signals.

KEYLESS ENTRY AND START*

Convenient and secure, this system allows you to lock, unlock and start your Citroën while keeping the electronic key in your pocket or bag. The car even recognises you as you approach.

HILL START ASSIST

Standard on Citroën C1, Hill Start Assist holds the car for 2 seconds when you pull away on steep inclines, allowing you to make safe, smooth progress.

REVERSING CAMERA*

Helping you to achieve precise, bump-free parking manoeuvres in the tightest spaces, the reversing camera displays clear images on the 7 inch touchscreen.

* Features dependent on model, available at extra cost on some versions.

ENGINE

FUEL CONSUMPTION & CO₂ EMISSIONS*

Engines Euro 6	Low MPG (Litres/100km)	Medium MPG (Litres/100km)	High MPG (Litres/100km)	Extra High MPG (Litres/100km)	Combined MPG (Litres/100km)	CO ₂ Emissions (g/km)
VTi 72 manual	49.2 - 53.2 (5.7 - 5.3)	61.1 - 64.6 (4.6 - 4.4)	64.7 - 68.3 (4.4 - 4.1)	47.7 - 52.2 (5.9 - 5.4)	54.8 - 58.9 (5.2 - 4.8)	109 - 117

*Figures shown are for comparison purposes only; you should only compare these fuel consumption and CO₂ figures with other cars tested using the same technical standard. The fuel consumption you achieve, and CO₂ produced, in real world conditions will depend upon a number of factors: including the accessories fitted (post registration), variations in weather, driving styles and vehicle load. There is a new test WLTP (Worldwide Harmonised Light Vehicles Test Procedure) used to measure fuel consumption and CO₂ figures. The CO₂ figures shown are NEDCeq (New European Driving Cycle Equivalent), calculated using an EC correlation tool which converts WLTP figures to NEDC. These NEDCeq figures are based on the outgoing test cycle and will be used to calculate tax for the first registration. CO₂ and fuel economy figures may vary according to wheel fitment and optional extras fitted.

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

• CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

• CITROËN ASSISTANCE

Citroën Assistance brings rapid expert roadside assistance to you in an emergency in response to a telephone call. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, misfuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details, please contact Citroën at <https://www.citroen.co.uk/owner-services/emergency-assistance>

*2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

**Against all internal to external perforation to bodywork or underbody.

• CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën retailer or Citroën Authorised Repairer.

• CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën retailer.

• CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën retailer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.

DOWNLOAD THE MYCITROËN APP

on your smartphone and benefit from information and services personalised to your Citroën vehicle.

Insurance groups (1-50) are an indication only, please consult your insurance company for further details.

CO₂ figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable.

For further information on CO₂ and pricing for vehicles with optional equipment, please visit <https://www.citroen.co.uk/configurator.html>

+ Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load.

The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures.

* 'On the Road' MRRP includes registration plates and delivery to dealer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochures or contact your local Citroën dealer for the most up-to-date prices and specification details for all models.
