THE FUN NEVER ENDS WITH CAREFREE DRIVING

You've got your MG exactly how you want it. Now call the shots when it comes to service plans and warranty packages.

MG CARE

Keep on driving with the ultimate carefree service package.

With a new MG you needn't let the worry of unforeseen costs ruin the fun. For a cheeky, one-off payment, you can take advantage of MG CARE, which gives you three scheduled service checks for the first three years (or 45,000 miles). Available on both MG3 and MG6, MG's authorised repairer network offers genuine parts, factory trained staff, and the peace of mind that your MG is in a safe pair of hands.

From oil changes, to the batteries in your key fob, MG CARE keeps your new car covered, and you on the road.

Speak to your dealer or visit
MG.CO.UK for more information.

UP TO 5 YEARS FLEXIBLE WARRANTY

Like everything else about the MG, our warranty packages are a little bit special. Naturally, there's a three-year/60,000 mile cover as standard. But where others also offer longer warranties, then add the cost onto the overall price of the car, our Flexible Warranty lets you choose how much you extend your cover by for an additional cost when you buy your car.
