GET IT RIGHT

Add the features that matter to your business with the optional FlexCargo Pack. Read on for all the details.

LOADS OF LENGTH

Thanks to the folding nearside passenger seat and load-through hatch, longer items up to 3.4m, such as pipes and ladders, can be stowed without having to leave the rear door open.

FULLY FOLDING PASSENGER SEAT

After even more space? You can fold the nearside passenger seat up and out the way, giving you extra loadspace in the footwell.

DOES A TON OF WORK. JUST LIKE YOU

Combo Cargo has everything you would ever want (and need) from your work van – a low loading height, plenty of room and brilliant accessibility. Not to mention generous load volume and convenient easy-to-fold seats. Your working day just got a whole lot easier.

DUAL FRONT PASSENGERS' SEAT

The FlexCargo Pack replaces the standard single seat with a multi-function fixed bench seat. The middle seat folds down to become a useful table, quickly transforming the cabin into your own mobile office.

ROOM FOR A FEW MORE

There's room for the driver and up to four crew, while the load is safely stowed behind a steel-framed mesh bulkhead.

SPLIT-FOLDING REAR BENCH SEAT

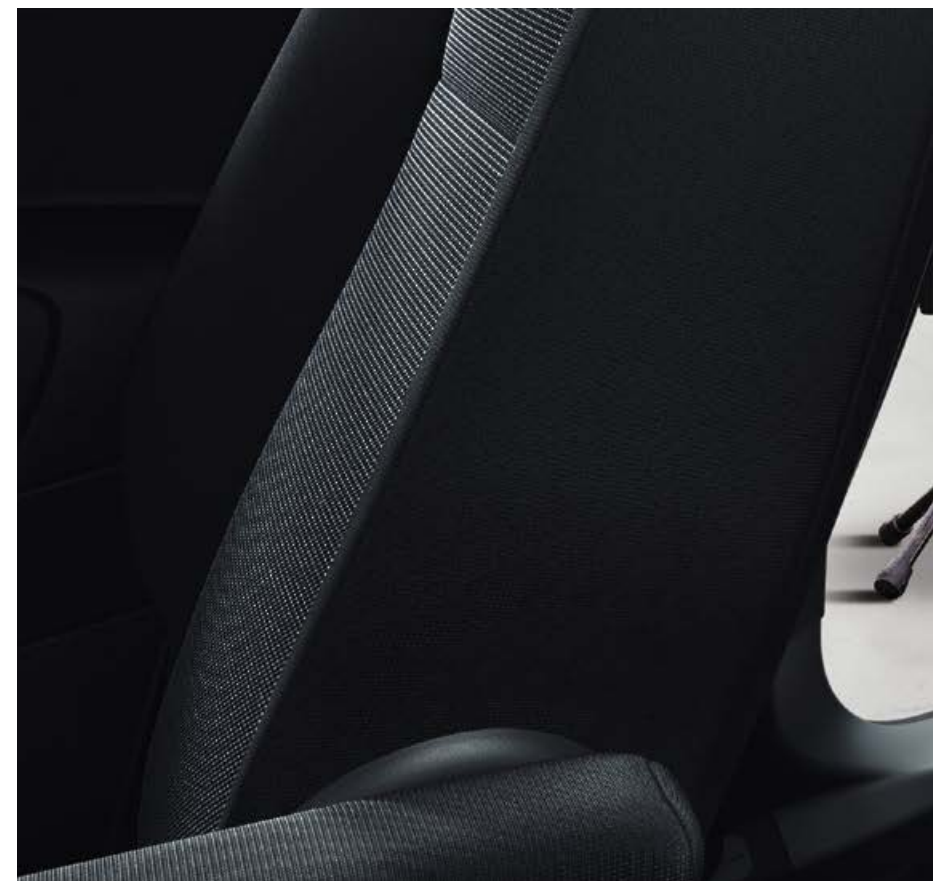

Short on space? You can fold down the rear bench and move the partition behind the front seats if you need to, increasing your loadspace back to a generous 4.0cu.m.

EASY ACCESS WITH TWIN SLIDING SIDE DOORS

Twin sliding rear doors mean it's easy to get your hands on what you need, when you need it. While the flat loadspace makes it simple to fit everything in, safely.

MOVABLE STEEL-FRAMED MESH BULKHEAD

The standard steel-framed mesh bulkhead fits behind the front seats or second-row seats to protect occupants from shifting loads.

The image shows the interior of a van, specifically the rear passenger area. Two seats with a grey and black patterned fabric are visible. To the left, there is a camera on a tripod and a black bag. The van's interior is dark, and the seats have black headrests and seatbelts. A red banner is overlaid on the right side of the image, containing white text. The overall scene suggests a professional or creative workspace.
