

VIVA

VAUXHALL

LET'S BRING IT ON

Who couldn't love something that gives you everything you want, then a little bit more?
And all in a marvellously tidy package.

Drive the VIVA, and you'll know what we mean.

VIVA brings it on with big car features and small car economy for a very nice price.
Making it seriously good value for money.

It's got plenty of big and clever ideas too. Things like a steering mode for tight city manoeuvres comes as standard, while most models feature lights that show the way around corners. There's also the availability of touchscreen sat nav.

Factor in the VIVA's punchy, fuel-sipping 1.0 litre engine you'll get how VIVA gives you a big run for your money.

COMPLETE THE PICTURE

We've only skimmed the surface in this brochure, if you'd like the detail on exactly what's available on every single model you'll need a copy of our comprehensive VIVA Price and Specification Guide. It contains everything you need to know about the entire VIVA range and it's only a click away. Check out vauxhall.co.uk/goviva

LOOKS GOOD, **DOES GOOD**

STYLISH AND SMART DESIGN

Designed and built with practicality, solidity and safety in mind, the five-door VIVA is more than just a pretty face. So while it looks smart, it's designed even smarter with features to make life both easier and safer.

- // Though small on the outside, VIVA is big on the inside, with loads of room for everyone and all your essentials
- // Safe, solid and purposeful out on the road
- // Keep safe and be seen with daytime running lights
- // Made for busy lifestyles with flexible seating and storage options

EXCEPTIONAL STANDARDS

INNOVATIVE FEATURES AND LUXURY OPTIONS

When we designed VIVA, our approach was simple: more is more. Driving this car, you're surrounded by smart technology for your safety and convenience, with additional options to make life even more comfortable.

1. Cruise control with speed limiter*. Takes the effort out of motorway drives and keeps you inside the speed limit. Ideal for safely negotiating those inevitable roadwork speed restrictions.

2. Five doors, loads of room and clever design inside. Gives you quick and simple access for five people with plenty of storage options.

3. Fog lights with cornering light function*. When you indicate or make a sharp turn, the cornering lights turn on automatically to light your way. So you stay safe and sound on those dark nights.

4. City Mode. Lightens the steering to make tight, low speed turns easier when you're parking. Add the optional rear parking distance sensors and you won't believe how easy it is to park and manoeuvre into those tight parking spaces.

5. Lane departure warning.** Lets you know if you start drifting out of your lane without signalling first to help keep you on the straight and narrow.

6. Heated door mirrors. Essential for those frosty early morning starts. Add the Winter Pack* for a heated leather steering wheel and heated seats for a toasty welcome.

*Available on selected models.

**Optional at extra cost on certain models.

HIGH CLASS THINKING

DESIGNED WITH A BIG CAR FEEL

VIVA's interior is designed with the distinctive feel of a larger, more exclusive car. Focussed on driver and passenger wellbeing, you'll enjoy the reassuring quality feel throughout – with all the creature comforts on offer, wherever you're off to.

- 1. Make yourself comfortable.** Relax and take in the view from the light and spacious interior with loads of room for everyone and all your essentials.
- 2. 60/40 split-folding rear seats.** There's a versatile, usable loadspace that's simple to access for anything from a weekly shop to weekend adventures.
- 3. Electronic climate control*.** Set the temperature to 'perfect' and stay cool and fresh.
- 4. Drinks holders.** Made for busy lifestyles with plenty of storage options.

*Standard on certain models

PENNY

PINCHING PERFORMANCE

INTELLIGENT FUEL ECONOMY AND ENGINE EMISSIONS

VIVA features the very latest in our new generation of low-emission, fuel-efficient engines that help to significantly lower your running costs, meaning less visits to the fuel pump and more money in your pocket. Ideally sized for inner city and urban driving, it's a car with perfect poise and handling that feels safe, solid and purposeful on every turn.

// There's less trips to the fuel pump with a combined mpg of up to 55.4 that's good for a 380-mile range

// A powerful 1.0 litre engine with advanced technology means you can be confident in any situation when out on the road

// Drive smoothly and efficiently with a five-speed manual gearbox for confident cruising

// A joy to drive however long your journey and wherever you're off to

Official Government Test Environmental Data. Fuel consumption figures mpg (litres/100km) and CO₂ emissions (g/km). VIVA Range: Urban: 45.6 (6.2) Extra-urban: 62.8 (4.5) Combined: 55.4 (5.1). CO₂ emissions: 117 – 118*.

*Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Official EU-regulated test data are provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors. All figures quoted correct at time of going to press (June 2018).

DRIVE LIKE A PRO

DRIVER ASSISTANCE SYSTEMS

When you're turning into a tricky parking spot, City Mode is a handy feature that lightens VIVA's steering to make everything a breeze. You can also park faster in those tight spaces with the help of optional rear parking distance sensors, a feature only available in a handful of cars in this class.

Parking on a slope is effortless in a VIVA with hill start assist to help you pull away smoothly without any roll back. And, with cruise control on certain models, you can safely negotiate speed restrictions whenever and wherever they crop up. Problems solved.

- // City Mode improves manoeuvrability at lower speeds, all at the touch of a button – perfect for urban driving and tight city manoeuvres
- // Optional rear parking distance sensors help you park confidently with sensors to warn of objects behind
- // Hill start assist helps you pull away on a hill smoothly without rolling back downhill
- // Cruise control with speed limiter* keeps you safely within the speed limit

CATCH YOUR DRIFT.

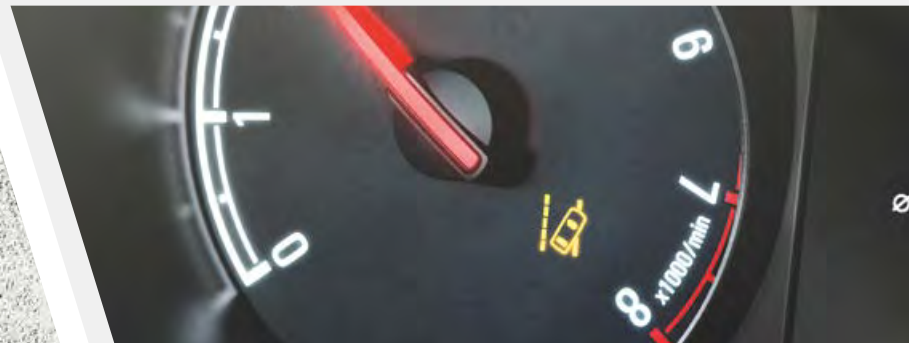

LOOKING OUT **FOR YOU**

DRIVER SAFETY FEATURES

Every VIVA features a tyre pressure monitoring system fitted as standard to automatically check the safety of your tyres – a simple yet clever safety feature.

A luxury feature in the small-car category, our optional lane departure warning prevents you drifting out of your lane by mistake with a simple beep, while on most models cornering lights illuminate your turn as you steer into a corner.

- // Get alerted if you drift from a lane without signalling
- // See clearer into your turns at night with automatic cornering lights
- // Stay safe on the road with built-in tyre pressure monitoring
- // Other VIVA safety features include electronic stability programme

WIRELESS **FOR SOUND**

CONNECTED LISTENING

Out and about in VIVA, enjoy all your favourite radio shows, music and podcasts with a stereo radio that features a USB connection to simply plug in your smartphone or MP3 player. Steering wheel mounted audio controls ensure you can keep your eyes on the road too.

You can also make hands-free phone calls and stream music wirelessly with Bluetooth® connectivity.

With the Multimedia touchscreen infotainment system* – which includes digital radio – you can even display certain apps and features from your smartphone or tablet on the 7-inch colour touchscreen**. Opt for the Navi4.0 IntelliLink system and you add built-in navigation too!

// Plug your phone or devices into the audio unit for a world of entertainment

// Steering wheel mounted audio controls are standard on all models

// Upgrade to Multimedia* or Navi4.0 IntelliLink* with smartphone projection using Apple CarPlay™ or Android Auto™**

*Optional at extra cost on certain models.

**Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the IntelliLink systems.

MAKE IT YOUR OWN

OPTIONS AND ACCESSORIES FOR YOUR VIVA

VIVA brings you much more than you might think, with special options and accessories to tailor VIVA for your specific needs.

1. Your window on the world. Open the electric glass sunroof* at a touch of a button for a breath of fresh air. Not in the mood? Simply pull the internal blind across.

2. Heated front seats and leather-covered steering wheel. Come with the Winter Pack*, for a luxuriously warm welcome on cold winter mornings.

1.

2.

2.

Must-have accessories tailor-made to make your VIVA even smarter.

3. Body side moulding kit. Special body side mouldings, styled specifically for the Vauxhall VIVA, that protect against stone chips and minor blemishes.

4. Quick fix. The FlexConnect seat system has attachments to hold a drink, tablet, shopping bag or jacket in place.

5. Step in smartly. Stainless steel sill plates keep your car looking its best.

6. Fitted floor mats. Removable and durable to help keep carpets clean.

SIZED FOR LIFE

LIVE LARGE WITH VIVA

Step up to the VIVA, and its most obvious advantage is its compact size.

But what's less obvious – until you drive it – is how substantial it is for a small car. It just keeps on giving.

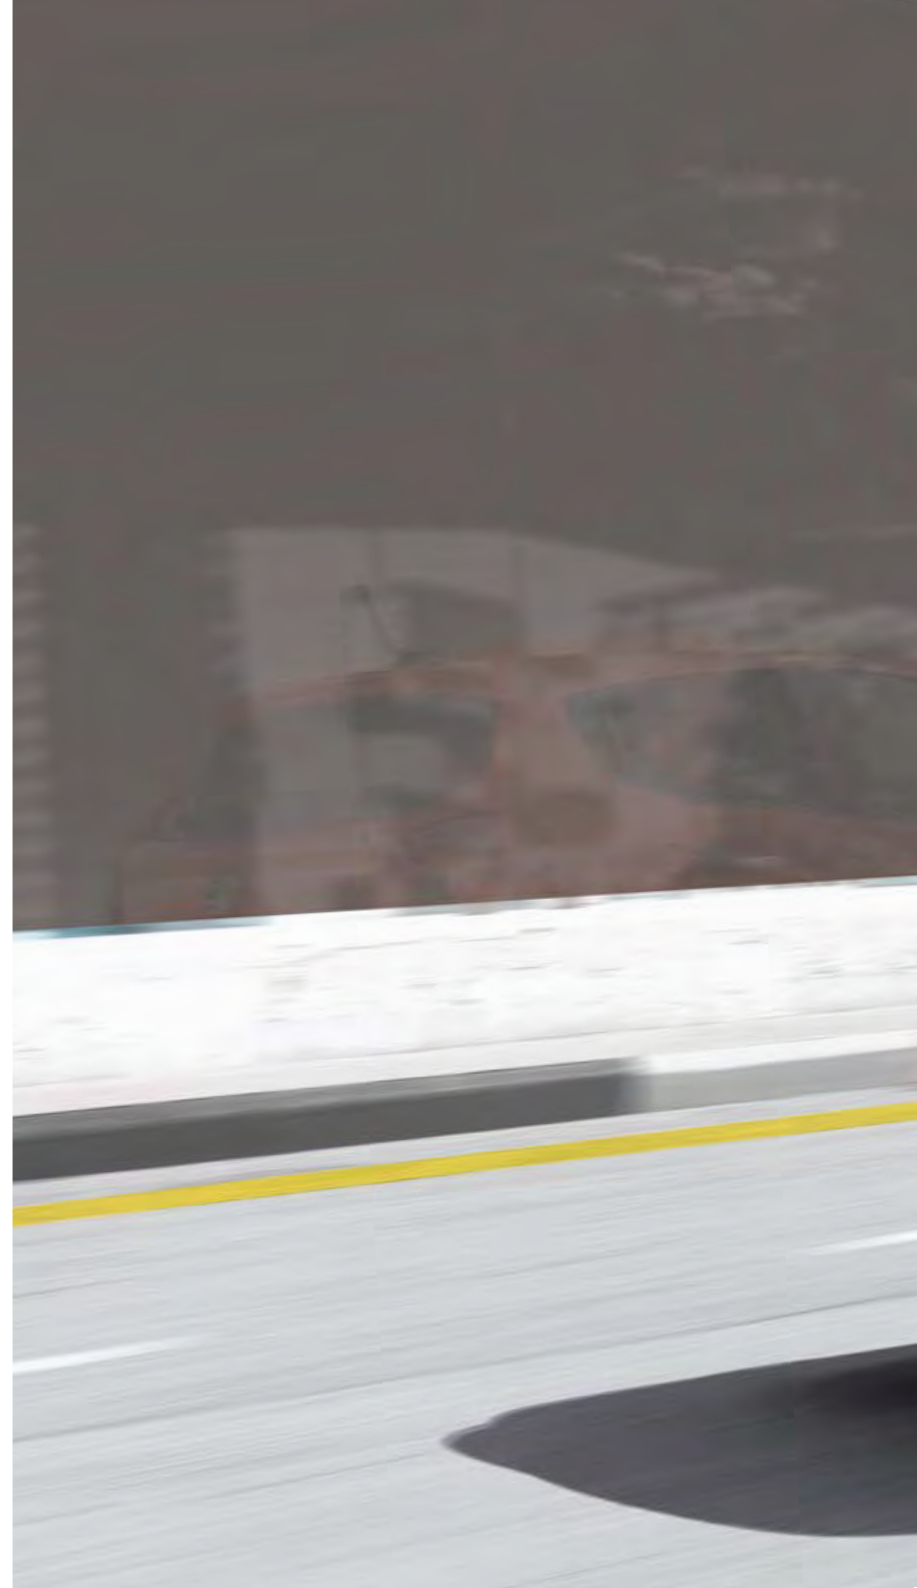

One of the very best cars in its class, VIVA is solidly built with the kind of safety features and smart connectivity you'd expect in grander, more expensive cars.

So you not only get clever things like City Mode driving assistance, you also get the huge advantages of its compact size, like the hyper-efficient, fuel-sipping, super-nippy engine.

In every way, VIVA keeps giving you that bit more, which makes you love it more. And that's no small thing.

Take part in the VIVA experience soon. Book your test drive at vauxhall.co.uk
