About this brochure

This is an interactive brochure which allows you to browse it in the same way as you might browse a website. Just click on buttons and links and they'll take you to other parts of the brochure. For example, you can click any of the contents above to jump straight to the section, and you can click on the home button at any point to bring you back to the contents page. You can explore and discover even more about the New Vivaro in the integrated price and spec guide at the end of the brochure.

Discover the rest of the Vauxhall range at vauxhall.co.uk ›

NEW VIVARO CARRIES BRITISH BUSINESS

The new Vivaro gives you more; more practicality, more choice, and more clever features than ever before. With three versatile bodystyles – the Panel Van, Doublecab and Platform Cab – you'll find a Vivaro that works for you and your business. So, sit back and prepare to be impressed...

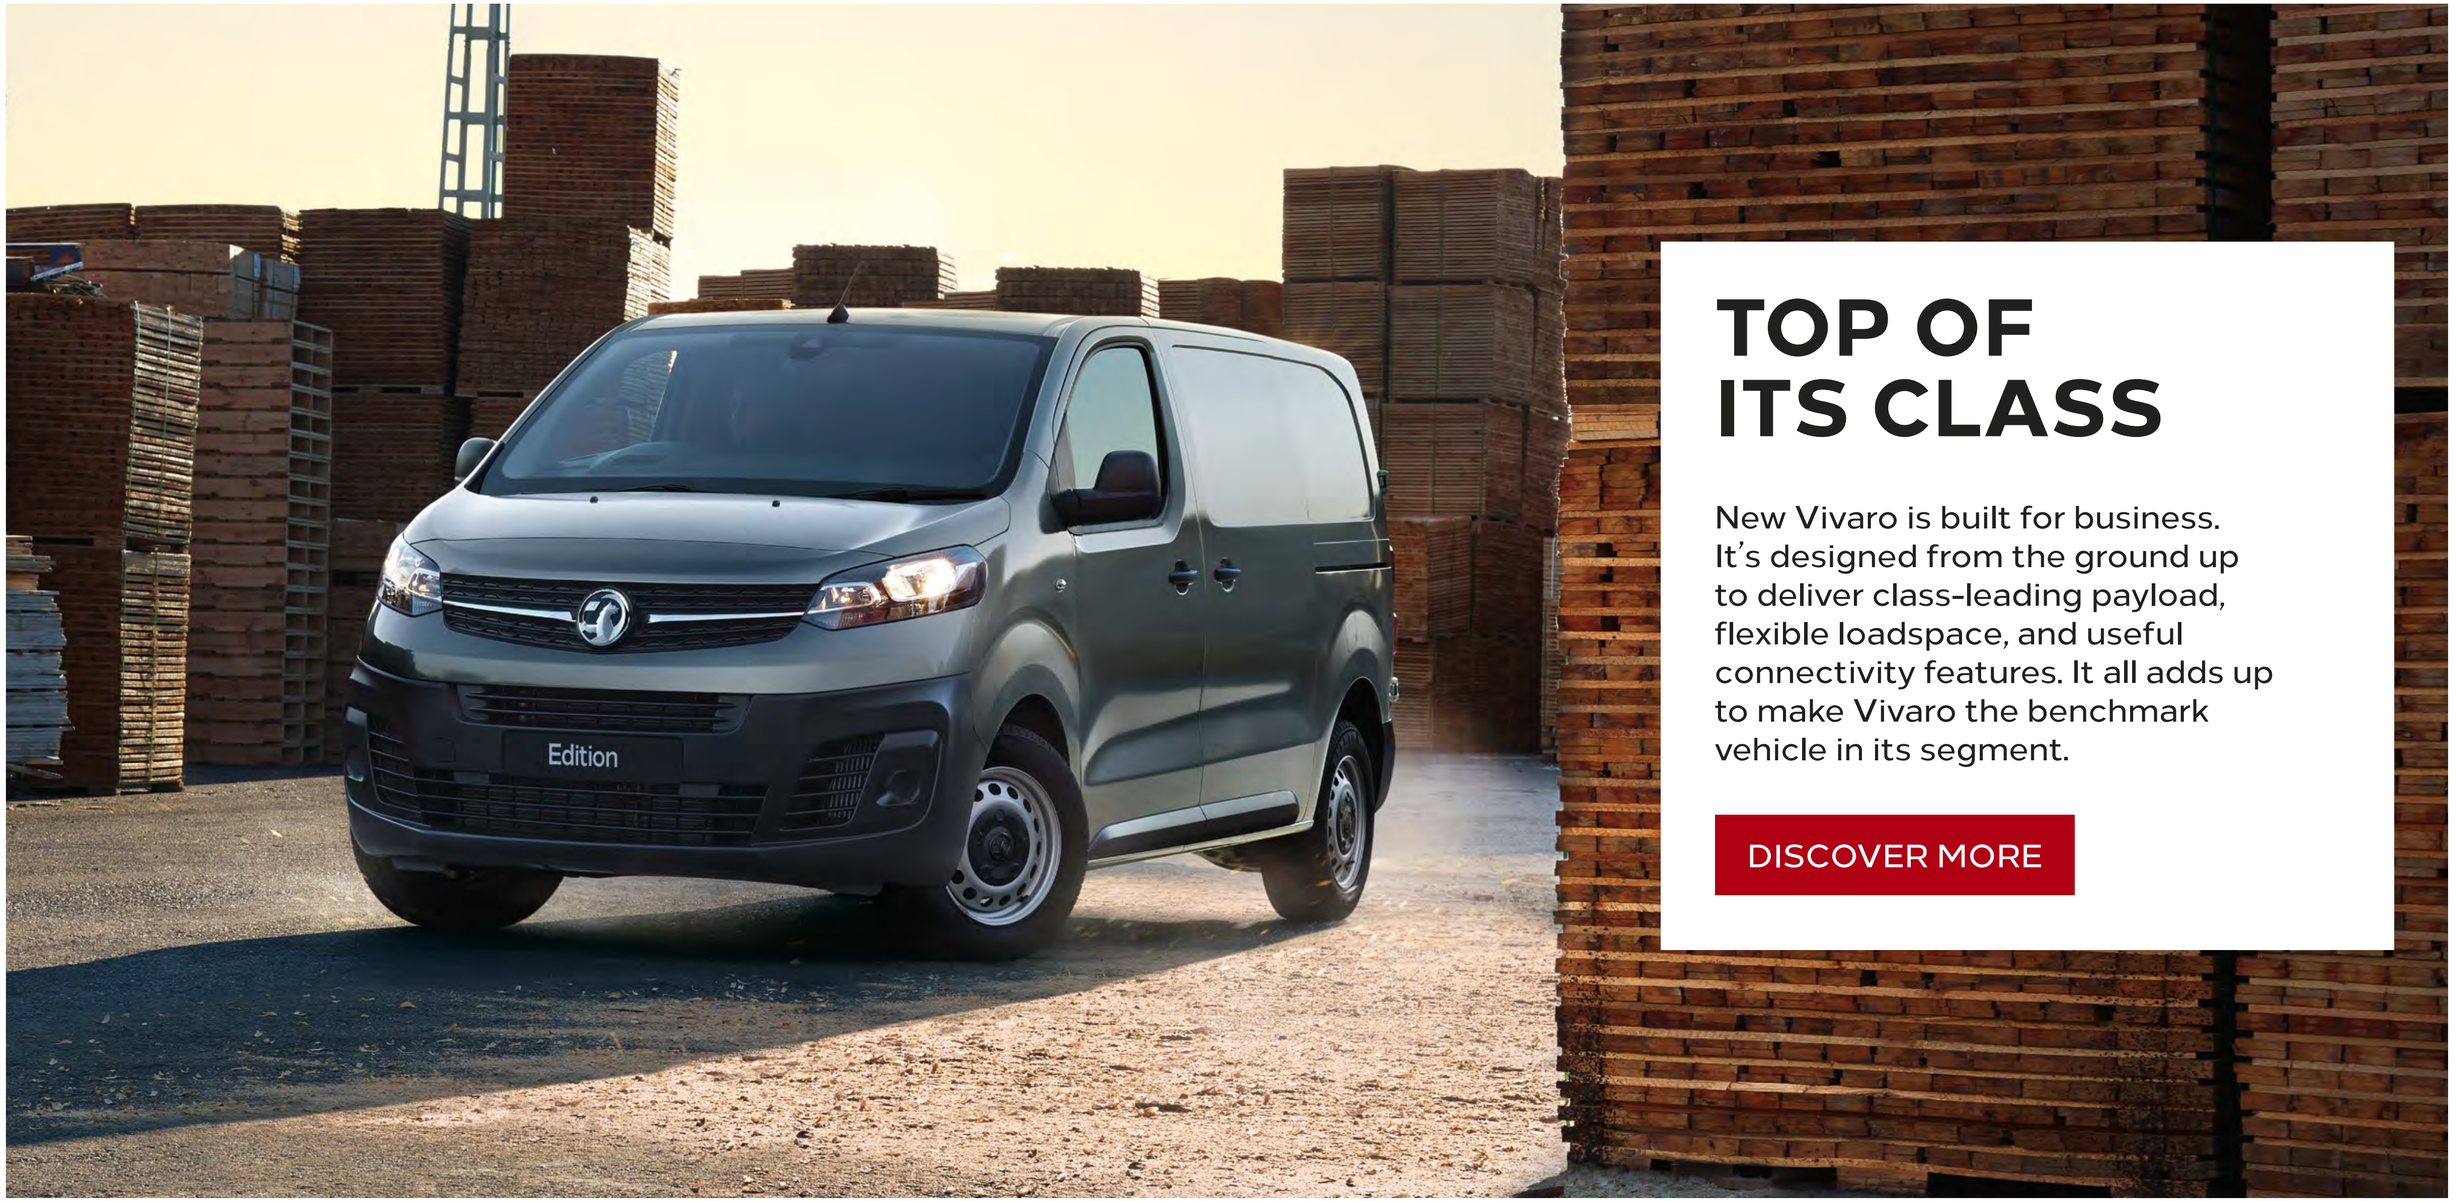
MADE IN BRITAIN

New Vivaro marks a proud 67 years of Vauxhall Motors building vans in Britain. It all started back in 1952 with the iconic CA van. Now, we're the UK's largest commercial vehicle manufacturer with over one million Vivaro-type vans built since production started in 2001.

Made in our Luton manufacturing facility, where recent investment has increased the annual production capacity to 100,000 vehicles, the new Vivaro merges iconic design with engineering precision.

And just like every Vauxhall that leaves our production line, it's designed to perform, with a level of durability, practicality and comfort you'll struggle to find anywhere else.

Vauxhall: British Brand since 1903.



TOP OF ITS CLASS

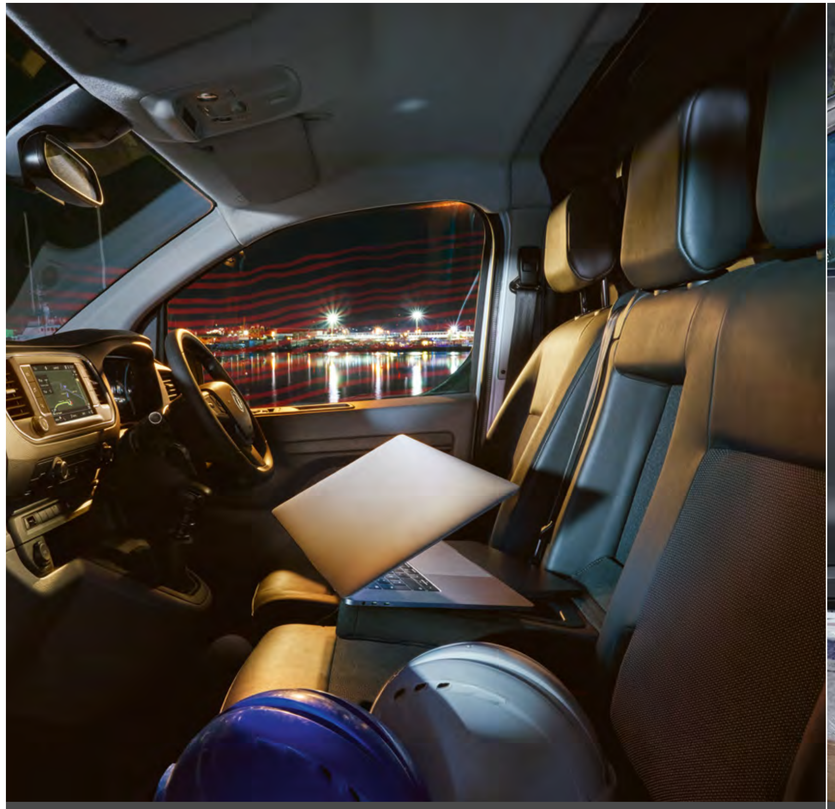
New Vivaro is built for business. It's designed from the ground up to deliver class-leading payload, flexible loadspace, and useful connectivity features. It all adds up to make Vivaro the benchmark vehicle in its segment.

DISCOVER MORE

HIGHLIGHTS

1. Striking design meets engineering precision.
2. A superior, **car-like driving behaviour**, and state-of-the-art technology rarely found in commercial vehicles.
3. Highly efficient engines ensure **competitive cost of ownership**.
4. Choose between **three bodystyles** to find the right Vivaro for your business needs.
5. Tailor your space with **two different body lengths**.

HIGHLIGHTS



1 Turn the cabin into your own personal workspace with the multi-function front passenger bench seat with **fold-down table**.

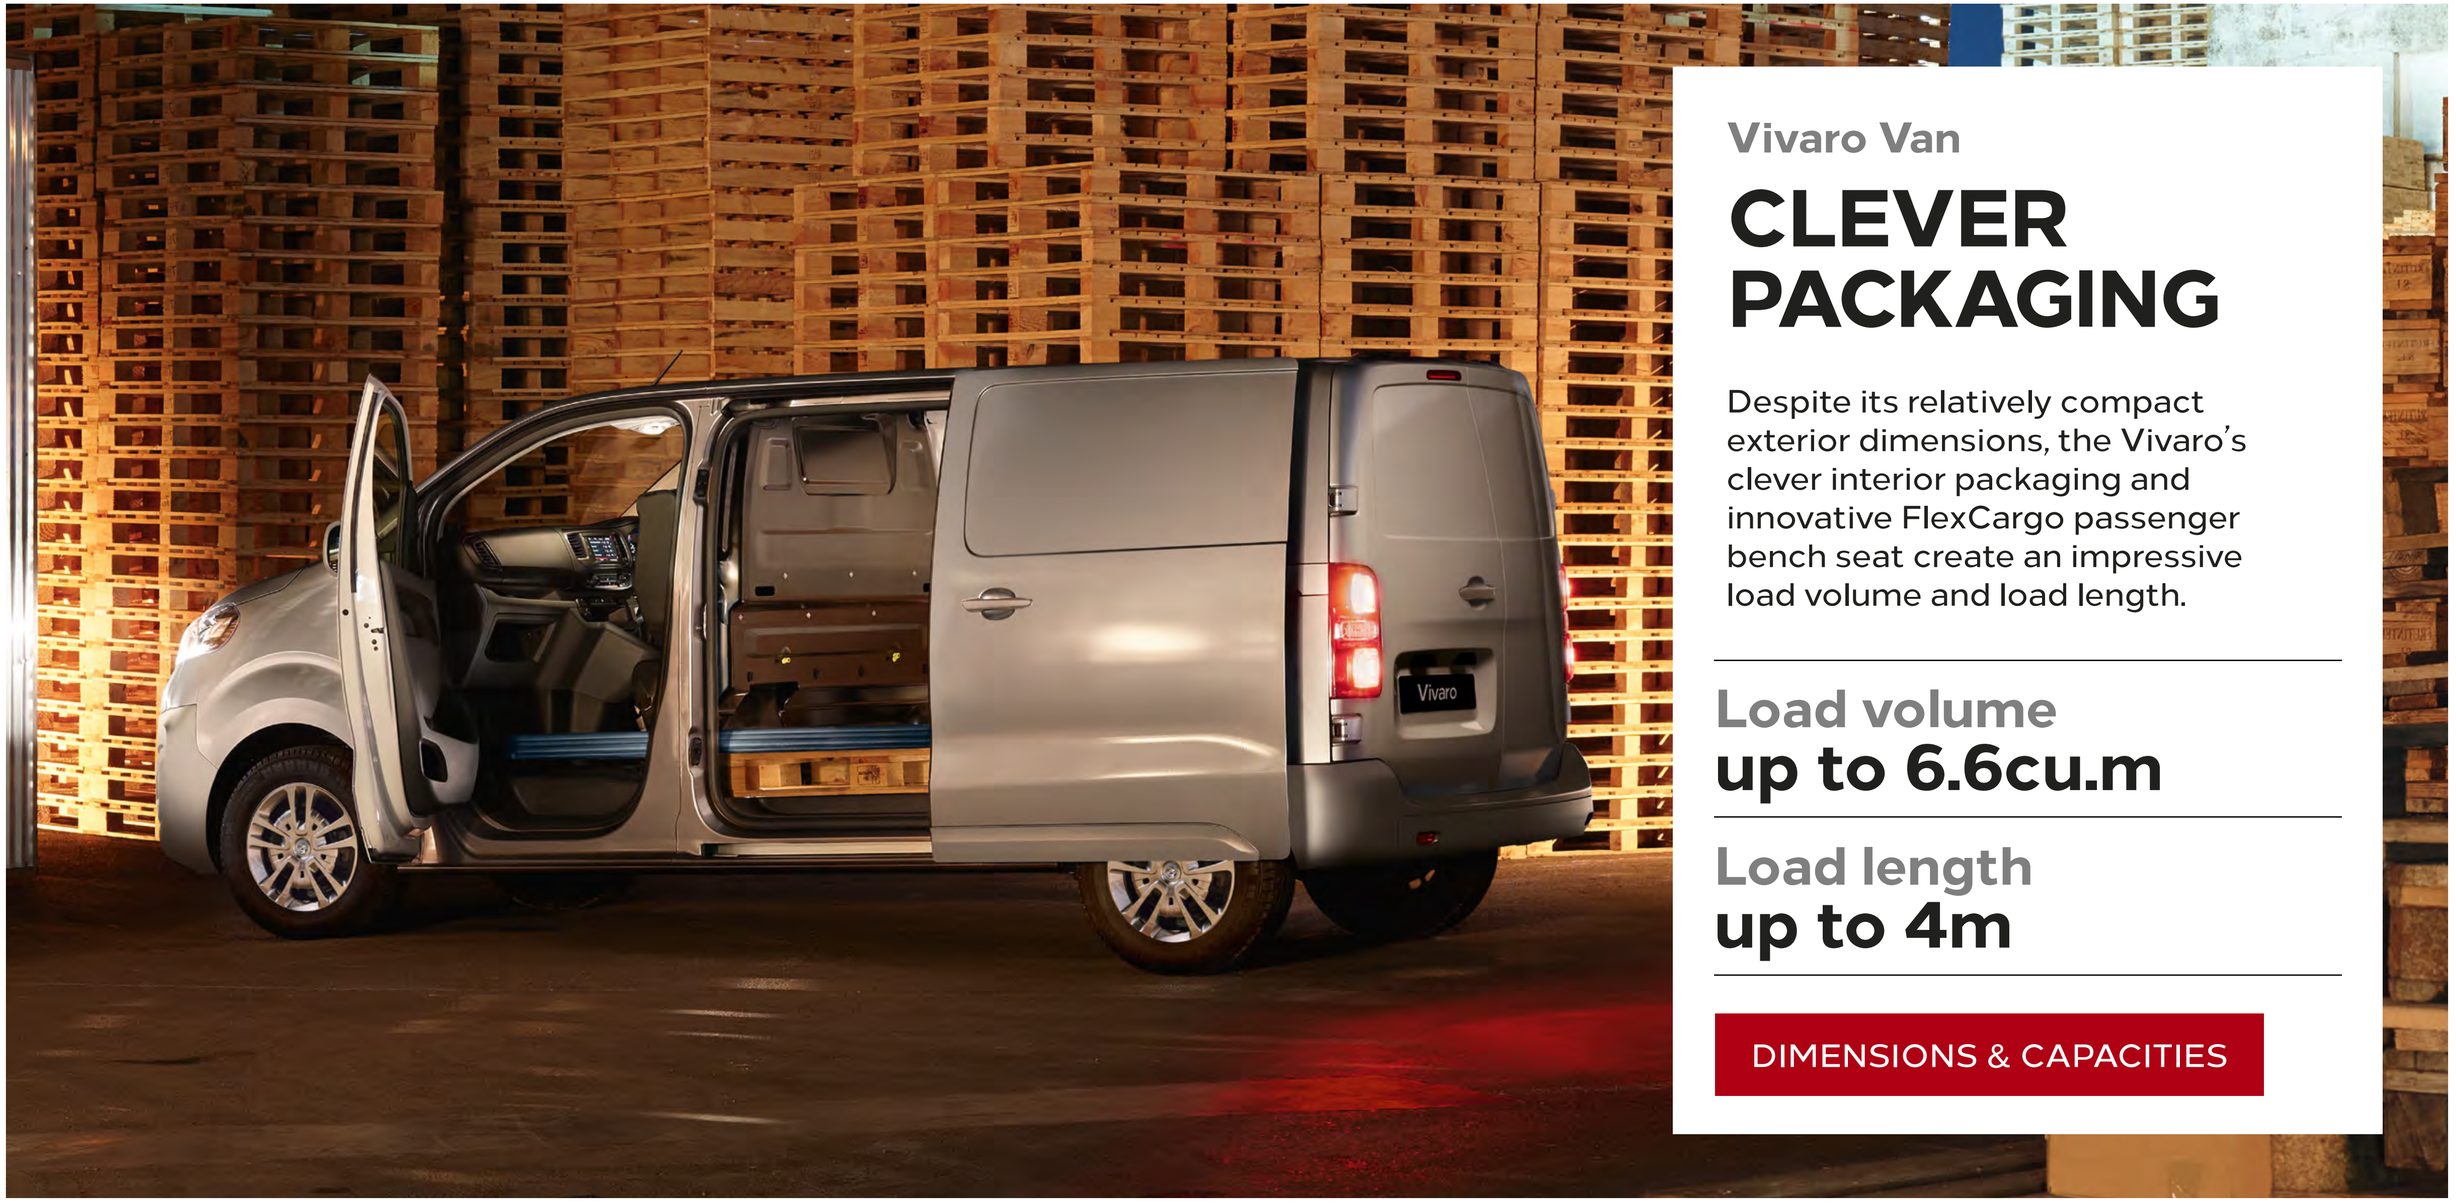
2 Enjoy an impressively useful maximum load volume of up to **6.6cu.m**, a load length of up to **4 metres** and a payload of **c1.4T.**

3 Stay safe and stress-free with a range of driver assistance systems including **speed sign recognition**, **driver drowsiness alerts** and **automatic emergency braking**.

Vivaro Van

DESIGN WITH PURPOSE

Meet the clever features and practical solutions that make every working day in Vivaro easier. Twin sliding side-access doors as standard give you easy access to the load area, as well as the option to add electric hands-free opening. A clever feature that brings innovation to the class.



Vivaro Van

CLEVER PACKAGING

Despite its relatively compact exterior dimensions, the Vivaro's clever interior packaging and innovative FlexCargo passenger bench seat create an impressive load volume and load length.

Load volume
up to 6.6cu.m

Load length
up to 4m

DIMENSIONS & CAPACITIES

Foldable Front Seat

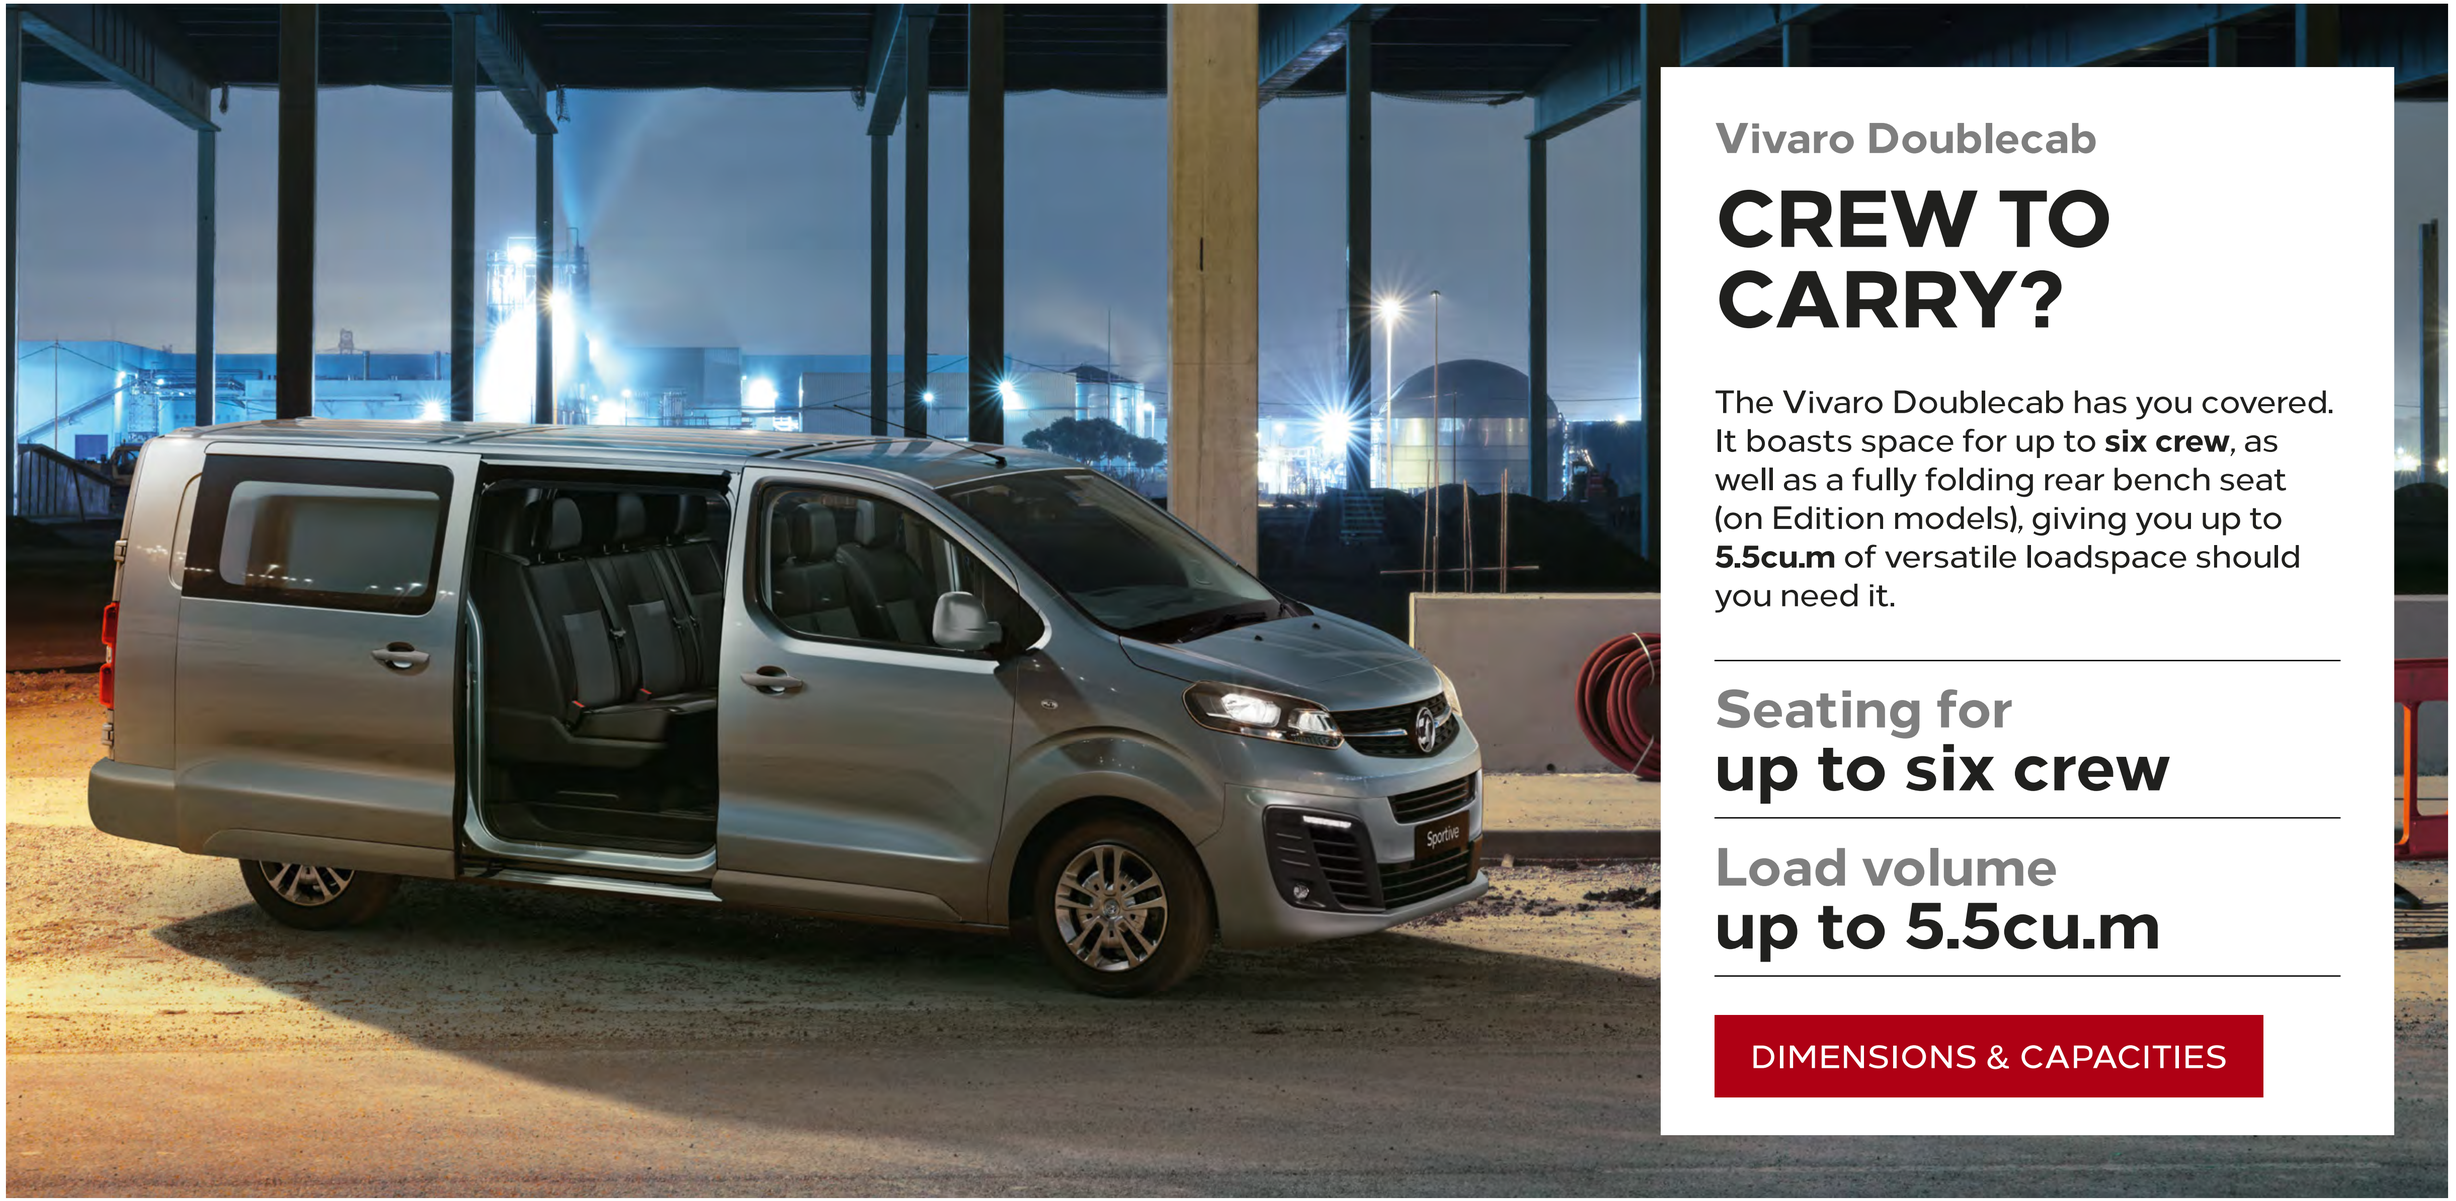
Fold up the base of the outer front seat to free up additional loadspace when you need it. That's **6.6cu.m** in total.

FlexCargo Load-through

Seat three comfortably up front or use the load-through bulkhead to **maximise load length** when carrying longer cargo (up to 4024mm to be precise).

Payload

Cut down on journeys by carrying more each time, thanks to the Vivaro's generous maximum **payload of c1.4T.**



Vivaro Doublecab

CREW TO CARRY?

The Vivaro Doublecab has you covered. It boasts space for up to **six crew**, as well as a fully folding rear bench seat (on Edition models), giving you up to **5.5cu.m** of versatile loadspace should you need it.

Seating for
up to six crew

Load volume
up to 5.5cu.m

DIMENSIONS & CAPACITIES

Foldable Rear Bench with Integrated Bulkhead[1]

A generous load volume of **up to 4cu.m** can be **expanded to 5.5cu.m** by folding up the rear bench. This is complete with a folding steel-mesh bulkhead – a first for a van in this sector.

1. Edition models only

Integrated bulkhead

Folded bench

Fixed Bulkhead with Rear Bench

Enjoy a load volume of up to **4cu.m** with room for three additional crew.

INTUITIVE TECHNOLOGY

New Vivaro is packed full of features to ensure you stay in control and connected on the move. Innovative features such as head-up display and rear-view camera. Not to mention, Vauxhall Connect, Android Auto™, Apple CarPlay™ and an intuitive 7-inch touchscreen that puts everything at your fingertips; your phone contacts, phone maps and so on. To top it off, smart navigation with Multimedia Navi Pro, gets you from A to B with ease.

1

1. Vauxhall Connect

Enjoy peace of mind with a range of driver safety and security systems. e-call with automatic emergency response is the first service to be introduced with more to follow during 2019. Watch this space.

2. Rear-view Camera

Reversing out of your driveway or into a tight parking space? Our clever 180° rear-view camera gives you an extra wide view of everything behind you.

2

3

3. Head-up Display

Unique in the segment, head-up display projects vital info such as speed and cruise control settings right into the driver's line of vision.

INFOTAINMENT

Bluetooth® and DAB Radio

The audio panel is simple to use whether tuning to AM, FM or DAB radio stations or using Bluetooth® connectivity to stream music or make phone calls hands-free. All models also feature USB functionality.

Smartphone Projection

Apple CarPlay™ or Android Auto™ projects your smartphone onto a high-resolution 7-inch touchscreen and puts everything you need at your fingertips; contacts, music and phone sat nav.

Navigation System

A new generation voice-controlled 3D Connect Nav system that makes every journey easier, delivering connected services and real-time traffic information with TomTom Traffic.

Works with Apple CarPlay

androidauto

DAB digital radio

SEE ALL INFOTAINMENT FEATURES

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc., also registered in the U.S. and other countries.
*In-car features should be used by drivers only when safe to do so. Drivers must be in full control of the vehicle at all times.

YOUR OFFICE ON WHEELS

And as if it wasn't versatile enough, Vivaro's comfortable cabin can be transformed into your very own mobile office. With a fold down table, a variety of practical storage solutions, and optional creature comforts that include heated seats and air-con. That's everything you need to keep your business on track – day in, day out.

STORAGE SOLUTIONS

Door Pockets

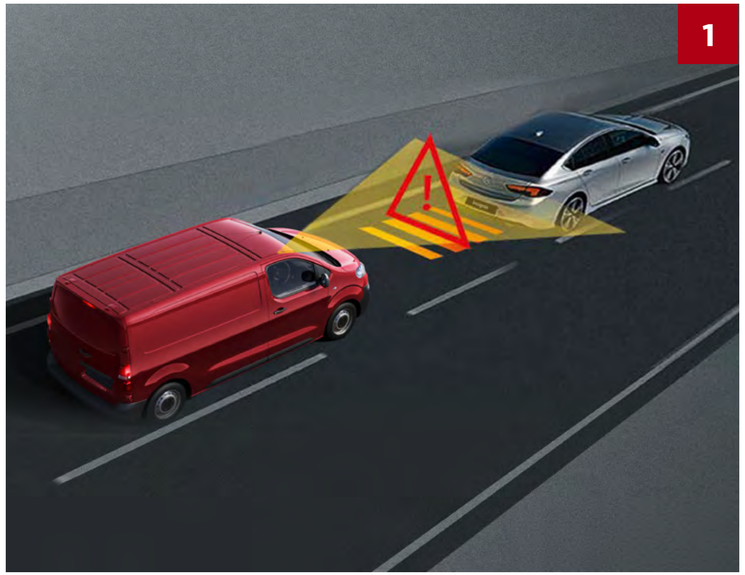
No less than three separate storage pockets in both front doors, the largest perfect for holding large items like 1.5l bottles.

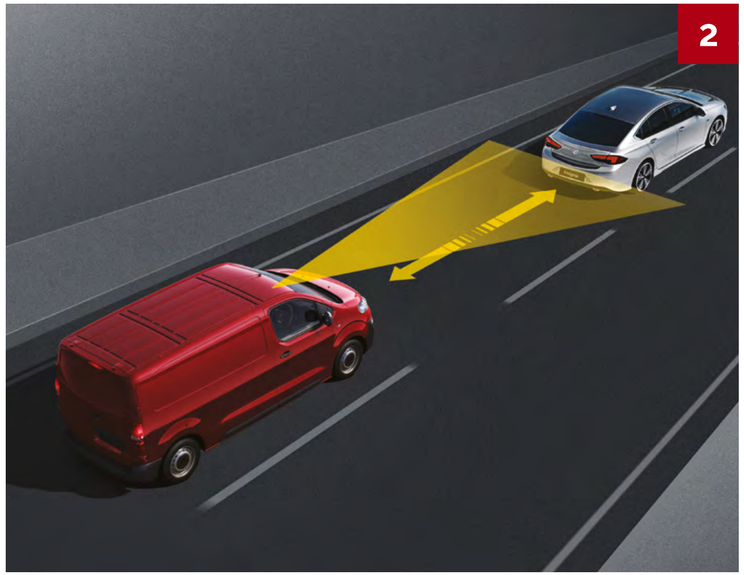
Passenger Bench with Integrated Storage

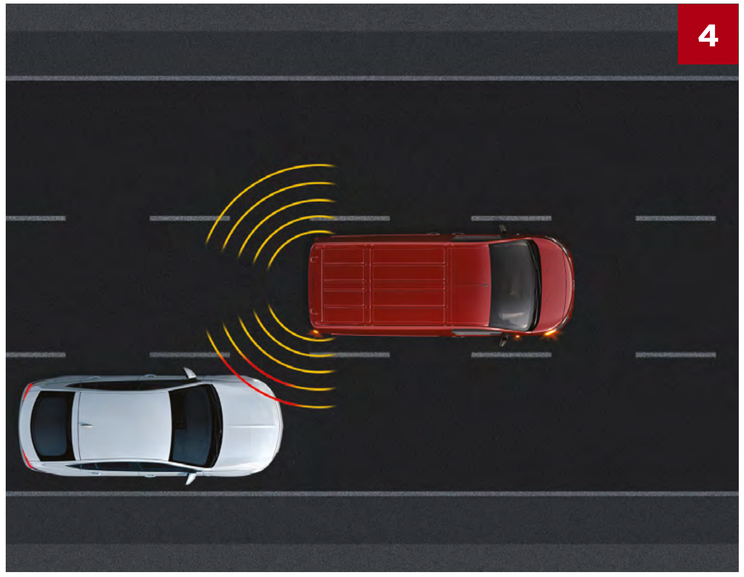
On Doublecab models there's additional storage volume underneath the front passenger bench, so you can stow work equipment and other valuable objects.

Dashboard Storage

Lots of smaller items to stow? **With up to 14 different storage solutions** throughout the cabin and a glovebox with cooling function, the Vivaro has you covered.







SAFETY FIRST

1. Forward Collision Alert: Scans the road ahead to alert the driver to the potential for a collision with the vehicle in front.

2. Automatic Cruise Control: Lowers your speed to maintain a set distance from the car ahead in traffic scenarios, and restores your previous speed when the road clears.

3. Automatic Emergency Braking: Takes action to avoid an accident, applying the brakes automatically in case of a potential collision.

4. Side Blind Spot Alert: Uses sensors and a visual projection on the wing mirror, alerting the driver to vehicles in your blind spot to prevent accidents in overtaking situations.

SEE ALL SAFETY FEATURES

YOU'RE IN GOOD HANDS

1. Driver Drowsiness Alert: Monitors the time you've been behind the wheel and analyses your driving patterns via the front camera and steering wheel movements, letting you know when it's time to take a quick break.

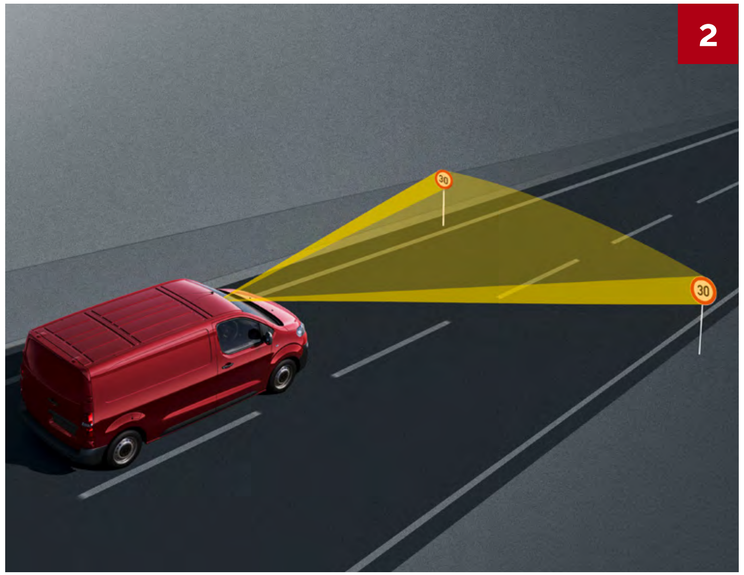
2. Speed Limit Adaptation: Uses speed sign recognition to analyse changes in the speed limit. With one push of the memory button, allow cruise control to adjust your speed accordingly*.

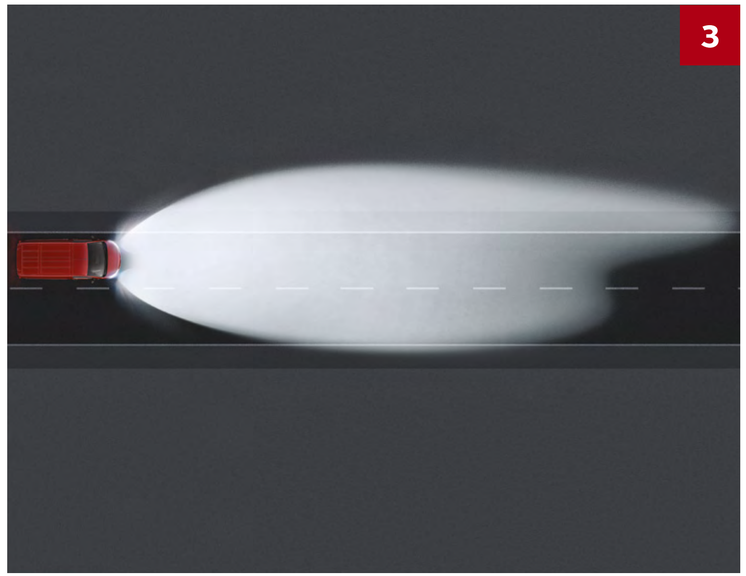
3. High Beam Assist: Switches the headlamps between high beam and dipped beam automatically to avoid blinding other drivers.

4. Lane Departure Warning: Recognises when the vehicle is drifting lanes and alerts the driver via audio and visual cue.

*On single and dual carriageways the speed limit for vans is 10mph less than for passenger cars.

SEE ALL DRIVER ASSISTANCE FEATURES





DRIVEABILITY

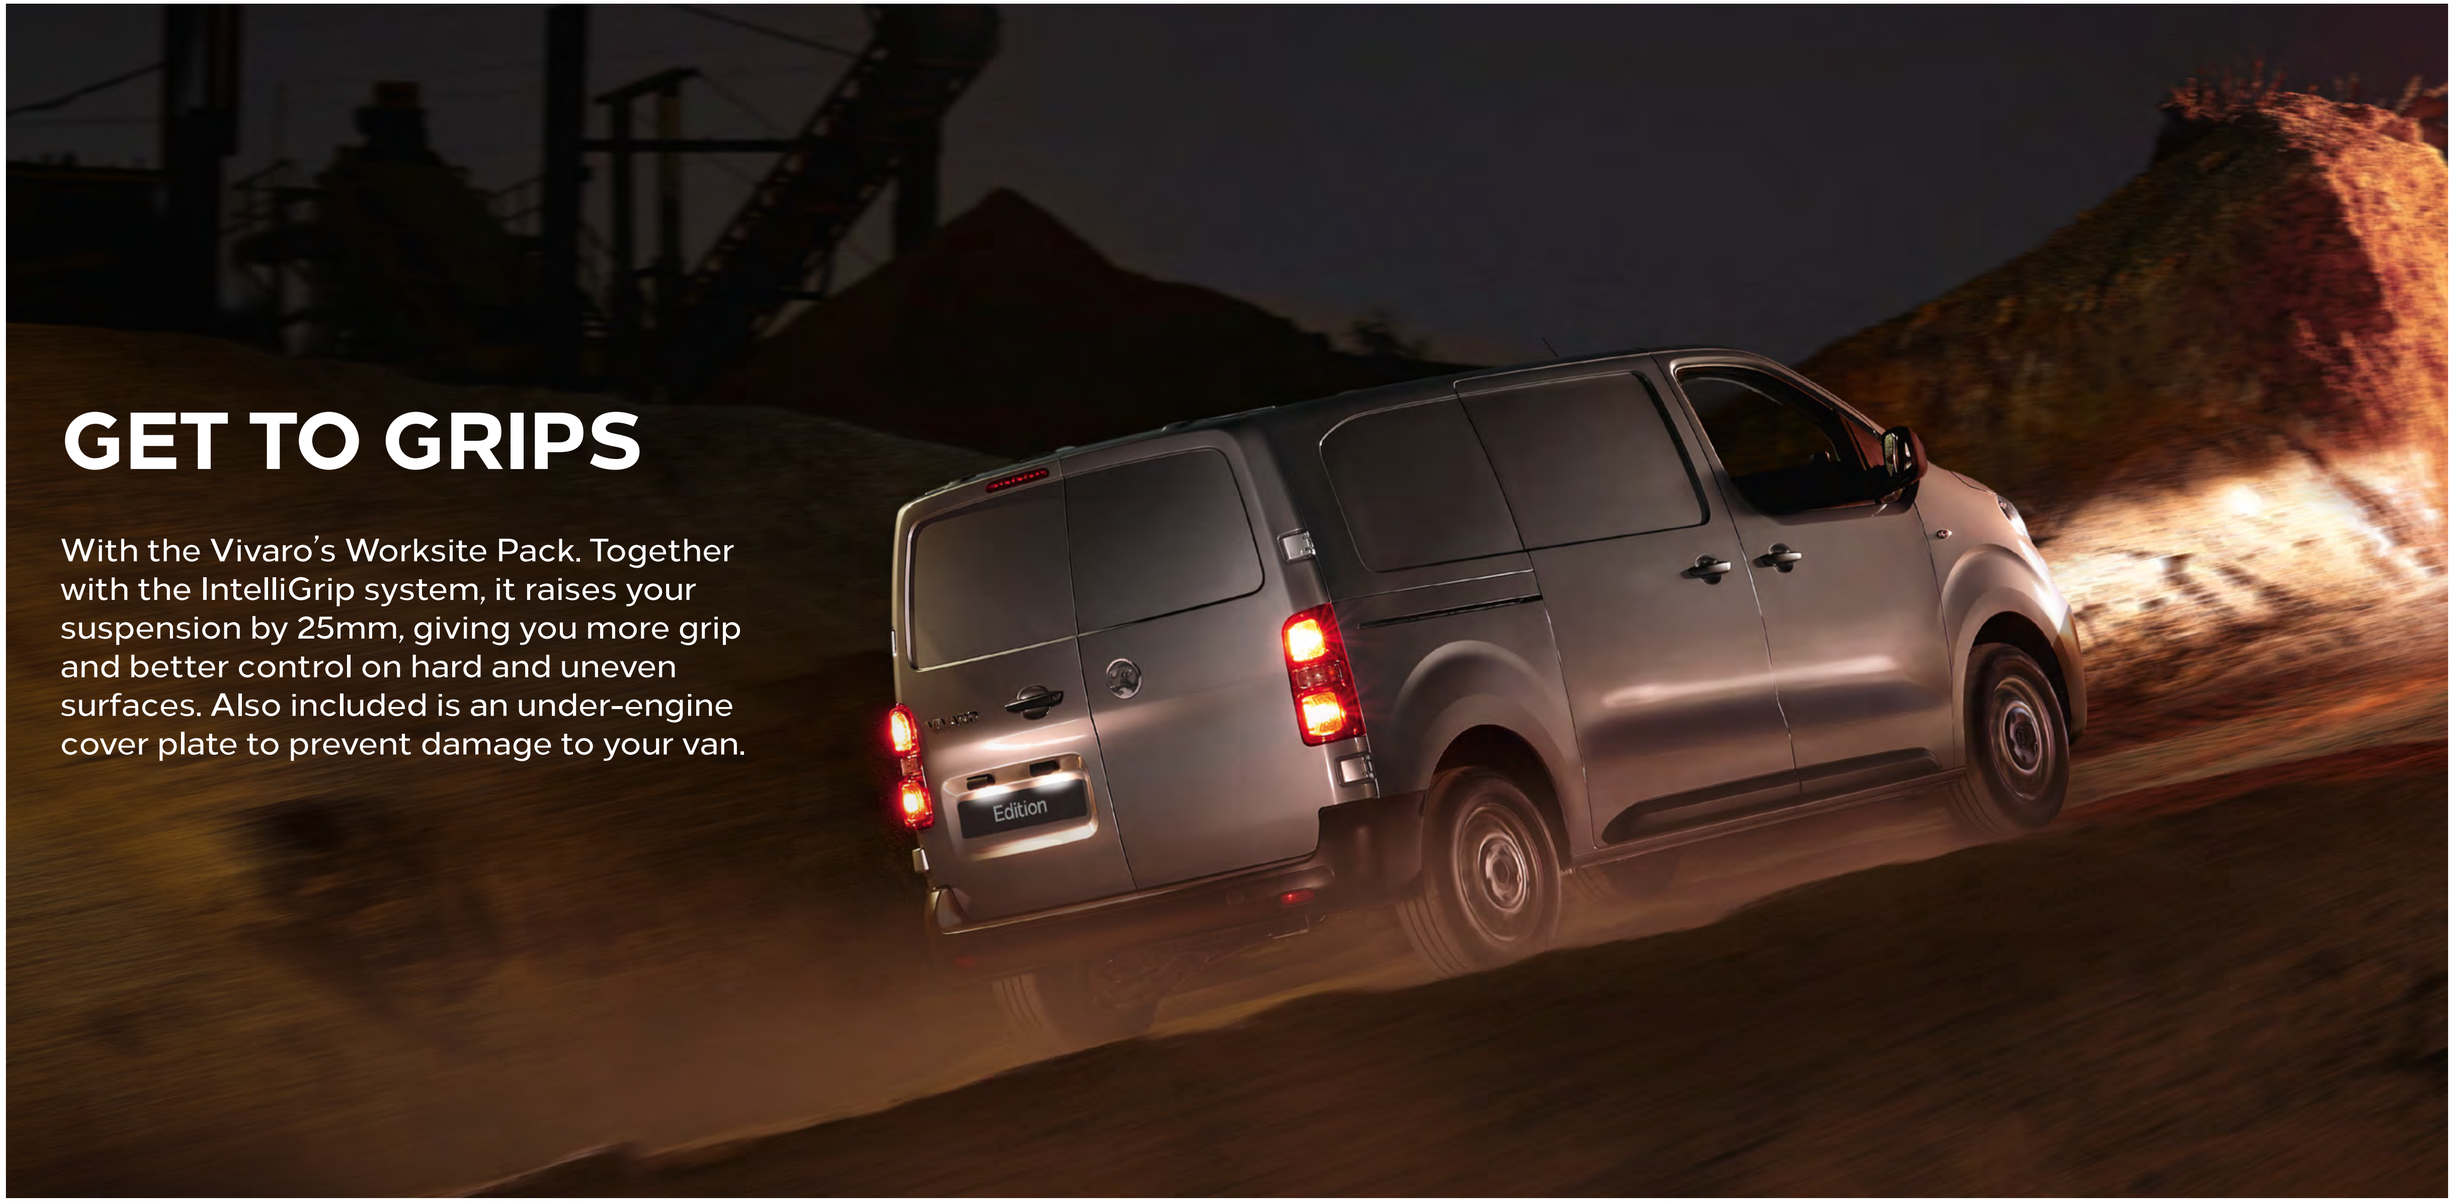
Car-like driving

Vivaro is as tough as a work van should be, yet smooth and refined, with a special car-like driveability that makes everyday driving a doddle.

Efficiency

Vivaro boasts a range of powerful yet frugal engines and smooth transmissions, for low running costs, reduced emissions and maximum efficiency.

SEE EFFICIENCY FIGURES



GET TO GRIPS

With the Vivaro's Worksite Pack. Together with the IntelliGrip system, it raises your suspension by 25mm, giving you more grip and better control on hard and uneven surfaces. Also included is an under-engine cover plate to prevent damage to your van.

DRIVING FEATURES

IntelliGrip

The Vivaro's IntelliGrip system provides extra levels of traction on difficult surfaces such as mud, sand or snow.

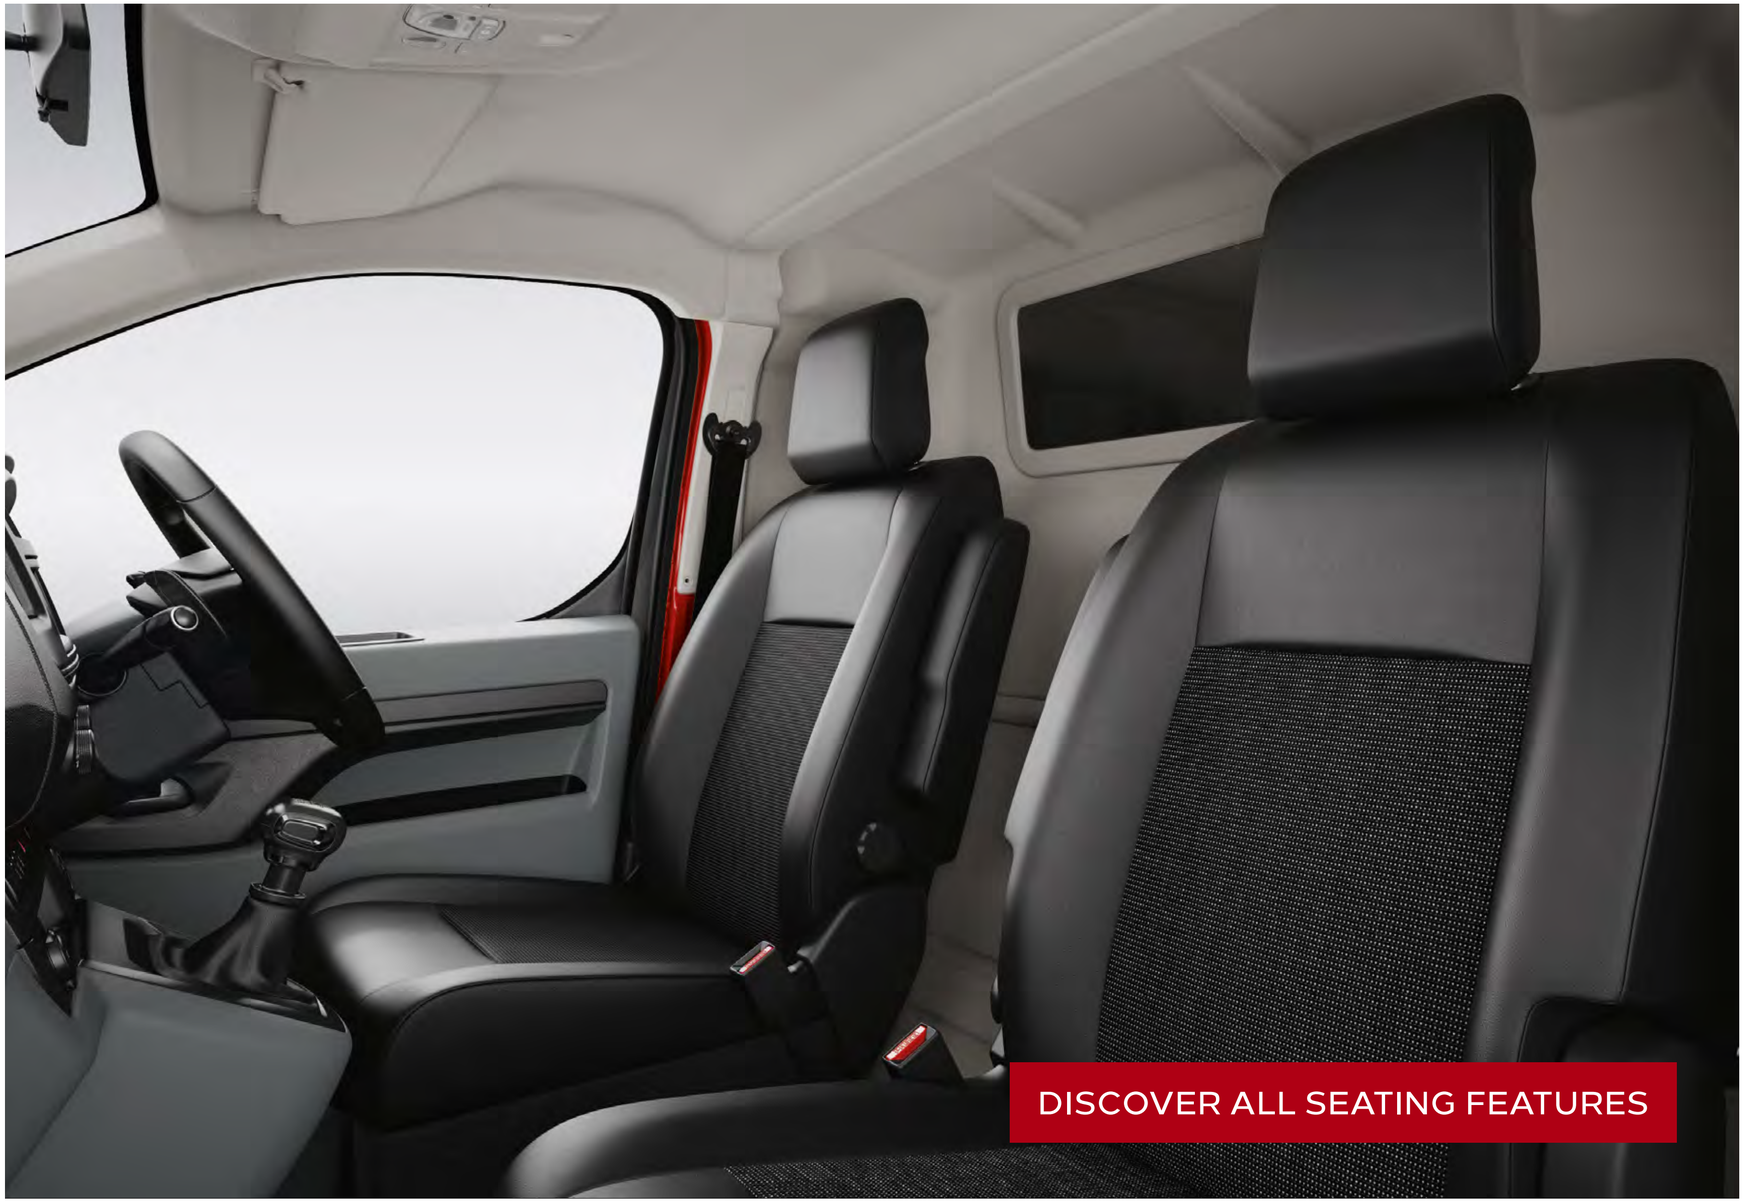
Eight-Speed Auto

A smooth and ultra-efficient eight-speed auto will take you further for less.

SIT BACK, RELAX...

And get comfortable in the Vivaro's spacious cabin. With seats designed for perfect ergonomic support across even the longest of journeys, and a heated front seat and steering wheel option for when the cold weather hits.

All models feature black vinyl seats with Curitiba fabric inserts. There's also a full black vinyl seat option available on Edition models.

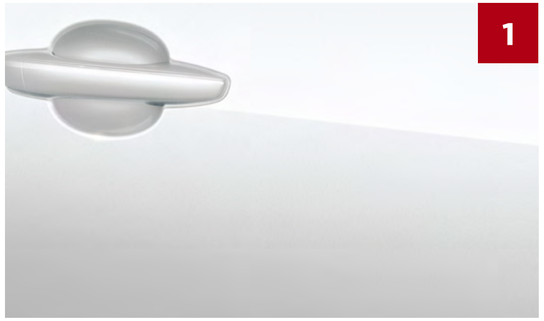


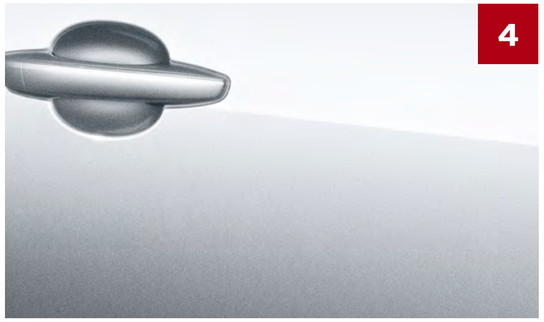
COLOURS

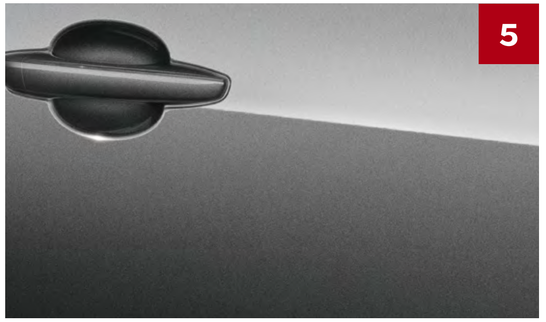
Look the business on and off the road with a choice of eight colours.

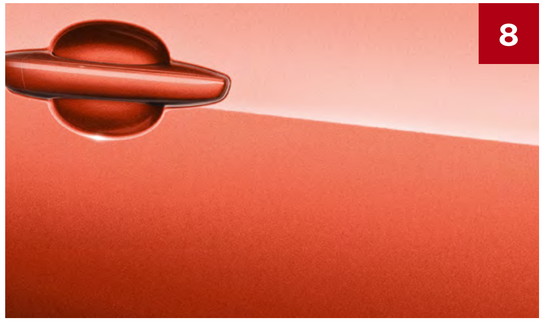
1. Jade White
2. Flaming Red*
3. Diamond Black
4. Quartz Grey Metallic
5. Moonstone Grey Metallic
6. Cool Grey Metallic
7. Rich Oak Brown Metallic
8. Amber Red Metallic

DISCOVER ALL THE DETAIL









*Edition models only.

ACCESSORIES

Take your van's practicality to the next level with our range of genuine accessories.

1. Floor mats
2. Towing hitches with ball
3. Towing hitches with ball
4. Roof crossbars
5. Roof racks
6. Load compartment protection kit/floors
7. Wind deflectors

LET'S WRAP IT UP

Vivaro is built to drive your business forward. With class-leading efficiency, stacks of clever features and practical solutions that make your work van work even harder.

An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/blueinjection. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

#Fuel consumption data and CO_2 emission data are determined using the Worldwide harmonized Light vehicles Test Procedure (WLTP), and the relevant values are translated back to allow the comparability into NEDC, according to regulations R (EC) No. 715/2007, R (EU) No. 2017/1153 and R (EU) No. 2017/1151. The values do not take into account in particular use and driving conditions, equipment or options and may vary depending on the format of tyres. For more information on official fuel consumption and CO_2 emission values, please read the guidelines at http://vanfueldata.dft.gov.uk/

**Minimum Mass for standard vehicles include coolant, oil and 90% full fuel tank. They will vary according to the vehicle specification (including options and accessories) with a corresponding variation in payload.

FEATURES/OPTIONS

SAFETY

	Option code	Edition	Sportive	Elite	Price (£) exc. VAT	Price (£) inc. VAT
Driver Safety Pack • Cruise control with intelligent speed adaptation • Forward collision alert with automatic emergency braking and pedestrian detection • 3.5-inch colour information display	B26		○	○	990.00	1188.00
Airbag **Driver and front passengers airbag:** • Front passengers' airbag with deactivation switch		●	●	●		
• Driver and front passengers' curtain and side-impact airbags, front passenger's airbag with deactivation switch – Standard on Doublecab models. Not available on Platform Cab models.	AYO	○	○	○	150.00	180.00
Stability Electronic Stability Programme–plus (ESP–plus) with traction control – Works in conjunction with the vehicle's electronic braking and engine systems to keep the vehicle stable in many different situations. ESP monitors a variety of inputs to determine when the vehicle starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.		●	●	●		
Tyre pressure • Tyre pressure monitoring system – Not available when the Worksite Pack option is specified.	UJO	○	○	○	50.00	60.00
Braking Four-channel Anti-lock Braking System (ABS) – Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering. Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance. Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel. Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.		●	●	●		

● = Standard equipment. ○ = Optional at extra cost.

DRIVER ASSISTANCE CONTINUED

	Option code	Edition	Sportive	Elite	Price (£) exc. VAT	Price (£) inc. VAT
IntelliGrip Pack For those drivers who regularly take their vehicle off road, this pack helps the driver cope with whatever conditions they encounter. IntelliGrip traction control is designed to increase grip in difficult conditions without the additional weight of a conventional four-wheel drive system. It's an innovative grip control system that provides improved traction on certain terrain and conditions through a combination of optimised torque distribution and limited wheel spin, managed through the electronic stability programme. • IntelliGrip: A choice of five selectable modes to suit the driving conditions: ESP on, ESP off, snow, mud, sand – Only available when 17-inch wheels are specified for Edition/Sportive models.	H4H	○	○	○	tbc	tbc
Worksite Pack • Underride protection • Increased ground clearance (+25mm) – Not available on 2700 models or 1.5 (120PS) Turbo D models.	HMG	○	○		tbc	tbc

FEATURES/OPTIONS

MECHANICAL

	Option code	Edition	Sportive	Elite	Price (£) exc. VAT	Price (£) inc. VAT
Transmission **Six-speed manual gearbox:** • Front-wheel drive • Transverse engine/gearbox		●	●	●		
Eight-speed automatic transmission • Front-wheel drive • Transverse engine/gearbox Replacing the traditional lever, the automatic transmission selection-mode dial/drive wheel is an innovation solution that is both elegant and intuitive. **By simply twisting the dial, the following modes can be selected:** • Park, for when the vehicle is stationary and the wheels are locked • Drive, for automatic forward motion • Neutral, for when the vehicle is stationary, wheels are free • Reverse, for automatic backward motion **For an extra experience of dynamism, the shift paddles for automatic transmissions are located behind the steering wheel, offering drivers an extra level of control that is highly ergonomic and intuitive. The shift paddles function in the following way:** • To go up a gear, the driver must pull the right lever towards themselves • To go down a gear, the driver must pull the left lever towards themselves – Please note: only consecutive gear changes are possible.		▲	▲	▲		
Steering • Hydraulic power-assisted rack and pinion system • Energy absorbing steering column **Turning circles** — **Kerb-to-kerb** L1/L2 — 12.4m (40.7ft.)		●	●	●		
Brakes **Front ventilated disc brakes:** • 304mm x 28mm **Rear disc brakes:** • 290mm x 12mm		●	●	●		
Fuel tank • 70 litres (15.4 gallons) capacity		●	●	●		

● = Standard equipment. ▲ = See price page for details.

GLOSSARY OF TERMS

Plated weight
The maximum weight to which a vehicle or an axle may be loaded, determined either by the design of the components or by legislation. All commercial vehicles must carry a manufacturer's 'plate' showing the vehicle and axle gross 'plated weights'. It is an offence to drive a vehicle in a condition where any of these weights are exceeded.

Minimum Mass
Minimum Mass ('Mass in running order' on Certificate of Conformity and 'Mass in Service' on V5C form) is defined according to European Type Approval and include all fluids, tools, 90% fuel load and driver (75kg). It is minimum mass for this variant and does not consider local specification/ trim or deletable options (specific to Movano). Weights are also subject to manufacturing tolerances (EU Legislation allows 5% tolerance).

Gross Vehicle Weight (GVW)
The total permissible weight of a vehicle including payload and passengers, as shown on the manufacturer's plate.

Gross Combination Weight (GCW)
The maximum permissible weight of a vehicle, including payload and passengers, combined with the total weight of any trailer it is towing. The maximum GCW weight limit is quoted on the vehicle plate and must not be exceeded.

Payload
The total permissible weight that can be carried without exceeding the vehicle's plated weight. Payload do not include driver but do take into consideration specification/trim level:

Weights are also subject to manufacturing tolerances (EU Legislation allows 5% tolerance). Payload does not consider any additional options that a customer may order.

Roof loads
Roof load should not exceed 170kg including the weight of the roof rack/carrier

Maximum towing weight
The maximum weight of any trailer and its load which may be towed within the limit of the vehicle's plated Gross Combination Weight (GCW). It is based on the ability of the vehicle – at full GCW – to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. It is the operator's responsibility to ensure that the trailer noseweight does not cause the rear axle plated weight of the towing vehicle to be exceeded.

Always fit Vauxhall towing attachments and accessories available from your Vauxhall Commercial Vehicle Retailer. They are designed specifically for Vauxhall models and carry a 12–month warranty.

Light Duty and Heavy Duty cycles
For a Light Duty cycle (EC regulation 715/2007 with designation 'Euro 6') the emissions of the whole vehicle are evaluated whereas for Heavy Duty cycle (EC regulation 595/2009 with designation 'Euro VI') only the engine is bench tested. The requirement of which cycle is necessary is determined by the reference mass of the vehicle. In the case of Movano, reference mass calculations dictate that:
- N1 FWD and M1 FWD are approved as Light Duty
- N1 RWD, N2 RWD and M2 FWD are approved as Heavy Duty

Conversions
With Vivaro a new conversion portal is introduced. This significantly improves the transparency and response of all communication with body-builders, and converters:
www.converters-and-groupe-psa.com

This website contains complete technical guidelines necessary to convert Vauxhall commercial vehicles – New Combo (K9), New Vivaro (K0) and Movano (X62). All vital and fundamental information is now located in one place:

- Conversion Guidelines
- Technical Data
- 3D CAD (coming)
- WLTP guidance
- Body shell ordering

Additionally there is a new Q&A service for technical questions, and the new conversion approval process will also be managed through this portal.

Any converter of Vauxhall product should create an account on this portal including those using IVA as approval process. In fact WLTP will make this necessary.

GLOSSARY OF TERMS

Commercial Vehicle Categories
Differences between M1/N1 and M2/N2 (Vehicles with GVW above 3500kg)

Category M: Passenger carriers
Category M1: Vehicles designed and constructed for the carriage of passengers and comprising no more than eight seats in addition to the driver's seat.

Category M2: Vehicles designed and constructed for the carriage of passengers, comprising more than eight seats in addition to the driver's seat, and having a maximum mass not exceeding 5 tonnes.

Category N: Goods vehicles
Category N1: Vehicles designed and constructed for the carriage of goods and having a maximum mass not exceeding 3.5 tonnes.

Category N2: Vehicles designed and constructed for the carriage of goods and having a maximum mass exceeding 3.5 tonnes but not exceeding 12 tonnes.

Specific differences, all M2/N2 require the following:
Speed limiter: All M2/N2 vehicles are legally required to be speed limited. M2 to 62mph and N2 to 56mph.

Driver licence: Commercial vehicles with GVW greater than 3.5 tonnes have different license requirements. For any new drivers C1 category is necessary. Under some circumstances (social purposes for a non-commercial body) it is possible to drive a minibus without a D1 entitlement (Minibus) however eligibility for this exemption should be confirmed with DVSA.

Driver CPC: Driver Certificate of Professional Competence mandates 35 hours of periodic training every 5 years to maintain licence (from September 2014).

Tachograph: It is a legal requirement to administer the activities of drivers subject to the EU or AETR drivers' hours rules, and also record the vehicle's speed, distance and time. A Smart Card is required for digital tachograph and these are available from the DVLA. The tachograph of a new vehicle must be calibrated within two weeks of first registration.

Operator's Licence: This may also be required to ensure that vehicles are kept safe and in good condition at all times. Specifically for M2, PSV (public service vehicle) operator's licence is required. Exemptions in some circumstances may be permitted but this should always be confirmed with DVSA.

MOT Testing: M2/N2 must be tested each year, and vehicle presented with a completed Certificate of Conformity (CoC). This is available from Vauxhall (regdata@gm.com) or from converter in case of second-stage conversion.

Conversions – WLTP
CAFÉ (Clean air for Europe) is a mandatory CO_2 target that comes into effect in 2020. There are specific targets for both cars and light commercial vehicles. With respect to LCV's, Vauxhall will be responsible for the CO_2 of complete converted vehicle, and this may bring limitations to parameters such as frontal area changes and conversion weight.

Some detail is already available on the website **www.converters-and-groupe-psa.com** however Movano guidance is in process with engineering with publication expected by June (coincident with opening of MY20 Movano order banks). When available this guidance will be added to website. There will also be a 'WLTP calculator' whereby the converter enters the VIN and conversion changes, and is returned a calculated CO_2 and economy data necessary to complete their second stage CoC (Certificate of Conformity).

FURTHER INFORMATION

Vauxhall on-the-road recommended retail prices (RRP)
To eliminate uncertainty about hidden costs incurred when buying a new commercial vehicle, Vauxhall publishes on-the-road prices and these are shown in the pricing tables within this price guide. The prices shown are manufacturer's recommended retail prices (RRP) unless otherwise stated, exclusive of VAT (currently at a rate of 20% which may be payable). These prices include the recommended cost of number plates, delivery to a Vauxhall Retailer of £583.33 (£700.00 including VAT), 12 months' Government Vehicle Excise Duty* and the DVLA new vehicle first registration fee of £55.00*.

Please note: The RRP does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and customer.

Price protection for all Vauxhalls
Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new commercial vehicle, but you must take delivery as soon as the commercial vehicle is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vehicle Excise Duty
The amount of Vehicle Excise Duty (road fund licence) payable on new commercial vehicles varies depending on gross vehicle weight (GVW) and European standard emissions compliance, as shown below*.

Up to 3500kg GVW	£250.00
Over 3500kg GVW	£165.00

*Correct at time of publication.

In the event of an accident...
Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit **vauxhall.co.uk/AccidentManagement**

Customer Care Commitment
For added peace of mind, Vauxhall has an innovative Customer Care Commitment** that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles (Combo) and 100,000 miles (Vivaro and Movano) limitation
- Vauxhall Assistance for 12 months from first registration
- Five years' body panel anti-perforation warranty

**Warranty is only on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance
Vauxhall Assistance is provided automatically with every new Vauxhall Commercial Vehicle for 12 months from first registration and covers everything from accidents, mechanical breakdown to flat tyres. With Vauxhall Assistance help is literally just a free† phone call away, 24 hours a day, 365 days a year!

†Mobile phone users will be charged at their standard tariff.

Vauxhall Extended Warranty
For complete peace of mind Vauxhall offers an extended warranty that can be purchased on an annual basis following the expiry of the original new vehicle warranty. It covers most mechanical and electrical components. Terms and conditions apply, for further details please contact your local Vauxhall Retailer.

Protecting the environment
Our products are increasingly winning environmental awards, both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, including information on Design for Recycling, take-back of End-of-Life Vehicles (ELVs), and the recycling of ELVs, see **www.vauxhall.co.uk/recycling**

Vauxhall Service Plan
Vauxhall Retailers offer a great service for owners of all Vauxhall vehicles. Value for money, regular offers and free check-ups, combined with the peace of mind that comes from using Vauxhall-trained technicians and genuine parts, help keep your vehicle in peak condition at all times. Every Vauxhall Retailer supports our customer promise:

We are Vauxhall experts
- Fully Vauxhall-trained technicians
- We use Vauxhall approved diagnostic equipment and specialist tools
- Full access to Vauxhall repair databases and technical centres

We are transparent
- Our invoicing will clearly set out the work at the price agreed with no hidden extras

We are never beaten on price
- We will match any written like for like service/repair quote from a local†† competitor using genuine repair methods and parts

We are convenient
- Flexible booking times to suit you
- 'One-stop shop' for every type of Vauxhall service
- While you wait facility on stocked tyres, batteries and exhausts
- Free courtesy vehicle or local collection with annual services and warranty work

We are thorough
- 25 point safety check with any workshop visit
- No obligation advice on essential and non-essential work
- Free check for safety enhancements and upgrades to your vehicle and software
- Free 'Wash and Vac' with every annual service
- Free fitting of wipers and external bulbs with annual services

††A radius of five miles/20 minutes from your Vauxhall Retailer.

Premier Van Centres
To maximise mobility and minimise downtime, our dedicated network of over 100 Premier Van Centres is increasing its emphasis on faster turnaround and fewer vehicle days spent off-road. We're your commercial vehicle 'one-stop shop' with all the specialised equipment, tools and training to support your aftersales needs, using only genuine parts fitted by Vauxhall-trained technicians. What's more, we promise convenience, expertise and value:

- Drop in for a diagnosis, no appointment necessary
- While-you-wait repairs where the parts are on-site
- A 25-point vehicle safety check with every workshop visit
- Access to Class 7 MOT facilities
- Onward mobility and a dedicated Premier Van Helpline – call 0800 026 0034
